Edward Sylvester Ellis

1000 Mythological Characters:

1000 Mythological Characters Edward S. Ellis, 2020-07-25 Reproduction of the original 1000 Mythological Characters by Edward S. Ellis **1000 Mythological Characters Briefly Described** Edward S. Ellis, John Flaxman, 2021-05-26 Illustrated Premium Edition Since the Greeks and Romans were not among those who received the divine story of creation they were forced to devise a theory to explain their own existence and account for the origin of all things The foundation of this theory lay in the marvelous phenomena of nature around them The growth of the mighty tree from the tiny seed the bursting bud and blossom the changing hues and the fragrance of flowers the alternation of day and night the flash of the rock rending lightning the rage of the tempest the flow of the rivers the towering mountains the lovely valleys dew rain the clouds and the ever shifting panorama on every hand the majestic sweep of the blazing worlds through space These finally became crystallized into a literature or mythology which has since been the inspiration alike of romancers and poets Published in 1895 1000 Mythological Characters Briefly Described is an alphabetical book containing various creatures people and gods from mythology 1000 Mythological Characters Edward Sylvester Ellis, 1899 **1000 Mythological Characters Briefly Described : Adapted to Private Schools, High Schools and Academies** Edward S. Ellis, 1000 Mythological Characters Briefly Described Adapted to Private Schools High Schools and Academies Since the names of the Greek heroes and gods show a general correspondence with the Sanskrit appellations of physical things it is comparatively easy to understand many of the first fancies and reflections of the earliest men who ever lived It is the argument of the philologists that these fancies and reflections settled into definite shape in that far away period when most of the nations now spread to the remotest corners of the earth dwelt together and used a common language Following the gradual scattering of this single unified people the language became sensitive to the change many words not only losing their original meaning but in some instances acquiring an opposite significance Other words again in the course of time were utterly lost As long as such personified beings as the Heaven or the Sun are consciously talked of in mythic language the meaning of their legends is open to no question and the action ascribed to them will as a rule be natural and appropriate The time came however when these names were considered simply as applying to heroes or deities and amid the jumble and confusion of the succeeding ages it became well nigh impossible to trace the myths back to their original source and meaning Such is a brief outline of the myth interpretations as made by the philologists **1000 Mythological Characters Briefly Described** Edward Sylvester Ellis, 2017-10-19 In this volume published in 1935 American writer Edward Sylvester Ellis provides a youth's dictionary of Greek and Roman mythology with brief descriptions of mythological characters in alphabetical order This Handy Dictionary of Mythology is intended to supply the everyday reader with concise accounts of the gods and goddesses of the ancients in an accessible form 1000 characters beasts gods and goddesses are examined and explained categorized and defined in this work for writers students and anyone interested in mythology and folklore 1000 Mythological Characters
