Miller, 2014-04-15 Straightforward answers to questions Christians and skeptics alike ask about God and the Bible Let's be honest the Bible can be hard to understand It's full of weird laws apparent inconsistencies and tales of a God who often doesn't do what we expect You may have asked about some of these things and been brushed off or given trite unconvincing answers But serious questions deserve thoughtful responses especially when opinions of Bible experts clash Stephen M Miller pulls insight from a wide range of Bible experts to report their answers to the tough questions He does so with a touch of humor and no preaching allowing you to draw your own conclusions Questions include Would a loving God really put a good man like Job through horrible suffering just to test his loyalty If God knows everything why did he test Abraham's faith by asking him to sacrifice his own son How could there be just one God yet three Since Jesus told people to turn the other cheek why aren't more Christians pacifists [The 100 Most Asked Questions about God and the Bible](#) S. A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease
