101 Nights, Volume One S. E. Reign, 2014-04-10 Tie me Tease me Take me Love me As delicate as the first frost as intense as the desert sun over my kingdom our relationship is like a complicated tango Every time we try to dance closer to one another we find ourselves flung to opposite sides of the room torn a part by distrust and secrets That s better though isn t it The last thing I need is someone like her cramping a life I m comfortable with Why then does my world stop when Natalie threatens to walk out on me Why do I want her to stay More importantly why can t we trust each other long enough to figure out what the hell we re really doing here It s never been this hard before with anyone else We re on a collision course with something neither of us can control and I know when we hit the reality of what s between us someone s going to get hurt Because I can t lose my kingdom even for her and she s too good of a person to make me the king
