

Birds of a Feather: Spend Time with Other Motivated People

The people you surround yourself with significantly impacts how motivated you feel. You'll want to surround yourself with passionate and motivated people who successfully achieve their own goals. These people will motivate and inspire you to stay focused on your own goals.

Have you ever wanted to give up on a goal because it's just too hard? Or you've felt down in the dumps and unmotivated to continue your path? Chances are, it has something to do with the people you surround yourself with.

Studies show that spending time around motivated and passionate people who are achieving their own goals will increase your motivation just by being near them.

Think about it. If your goal is to start running every day, but you only hang around sedentary people, it will be harder for you to get moving. But if you find someone who is also passionate about running (or whatever it is you want to do), you'll spend time together on runs and maybe even discuss triumphs.
