1 Peter Reformed Expository Commentary:

1 Peter Daniel M. Doriani, 2014 1 Peter (revised edition) Wayne Grudem, 2024-06-20 In this fully revised commentary Wayne Grudem builds on his original work to take into account almost four further decades of study and prayer Peter's short letter to the exiles of the Dispersion addresses many topics of ongoing relevance holiness the sufferings of Christ and his followers God's sovereignty and grace the work of the Holy Spirit the church as the new people of God the reality of the unseen spiritual world and the challenge of trusting in God in the midst of daily life For Wayne Grudem these seemingly disparate themes are tied together by suffering as a form of imitating Christ The Tyndale New Testament Commentaries TNTC have long been a trusted resource for Bible study Written by some of the world's most distinguished evangelical scholars these twenty volumes offer clear reliable and relevant explanations of every book in the New Testament These commentaries are designed to help readers understand what the Bible actually says and what it means The introduction to each volume gives a concise but thorough description of the authorship date and historical background of the biblical book under consideration The commentary itself examines the text section by section drawing out its main themes It also comments on individual verses and deals with problems of interpretation The aim throughout is to get at the true meaning of the Bible and to make its message plain to readers today The Tyndale volumes have long been the premier shorter length commentary series on both Testaments throughout the English speaking world Craig Blomberg Denver Seminary Tyndale commentaries are always useful not least because they focus so clearly on the text of Scripture and do not fall into the trap of paying too much attention to other commentaries and not enough to the scriptural text they are intended to expound and explain So they retain their usefulness for preachers Bible study leaders and for all readers of the Bible Peter Adam principal Ridley College Melbourne Australia The evenness and quality of this series are remarkable Christianity Today *1 Peter* Wayne A. Grudem, 2024-08-27 Current burial practices in the West fail to confront us with the reality of death and make it harder to grieve properly Burreson and Hoeltke argue that natural burial offers a more accurate picture of Christian hope and resurrection This immensely practical guide is also an application of the hope of the resurrection to those grieving

ESV Expository Commentary (Volume 12) Crossway, 2020-10-28 Designed to strengthen the global church with a widely accessible theologically sound and pastorally wise resource for understanding and applying the overarching storyline of the Bible this commentary series features the full text of the ESV Bible passage by passage with crisp and theologically rich exposition and application Editors Iain M Duguid James M Hamilton and Jay A Sklar have gathered a team of experienced pastor theologians to provide a new generation of pastors and other teachers of the Bible around the world with a globally minded commentary series rich in biblical theology and broadly Reformed doctrine making the message of redemption found in all of Scripture clear and available to all Six experienced Bible teachers walk through some of the richest but more challenging books of the New Testament helping Bible readers understand what they say about Christians hope for the future

Contributors include Dennis E Johnson Robert L Plummer C Samuel Storms Ray Van Neste Matthew S Harmon Thomas R Schreiner NEW TESTAMENT CONTEXTUAL COMMENTARY Dr. Robert R. Seyda, 2024-03-26 The Apostle John tells his readers he has an important message to tell them It is about a person who was already there before the beginning of the world We heard him speak We ve seen Him with our own eyes We watched Him and we touched Him He is the Word that gives us life with God This is the message God is completely good and pure He is like light There is nothing dark about Him Amazingly John tells us that one of the things Jesus wanted us to understand is that by loving others we love God Yes we do make mistakes and so do other believers but we are not to hold that against them because just as we were given forgiveness by God s mercy and grace since we are in union with His Son so can they What we are not to do is claim access to this privilege but then live like those in the world Our goal is not just life but eternal life After all we are God s children and no child of God keeps on sinning after they are born again through Jesus the Anointed One **Register Variation in the New**

Testament Petrine Texts Chiaen Liu, 2022-02-07 This book examines the nature of the early church from a Petrine perspective employing an analysis of register to implement a more synthetic study of relevant texts in the New Testament Liu utilises a type of discourse analysis that provides a framework for classifying grammatical and lexical information so that the reader can better understand the social function of not only Peter s speeches in Acts but also the two epistles attributed to him Liu s original and detailed study looks at the content and structure of the texts to enhance our understanding of the early church with particular attention paid to the dichotomy between Petrine and Pauline Christianity and their competing pictures of Christian origins This book will interest all scholars and students who wish to extend their understanding of both the historical and literary Peter *1 Peter* David G. Horrell, Travis B. Williams, 2023-04-06 Williams and Horrell bring together all the relevant aids to exegesis linguistic textual archaeological historical literary and theological to help the reader understand 1 Peter The content presents introductory maps and a comprehensive introduction covering aspects such as genre canonicity early citations of the letter and its theology and influence A particular feature of the introduction is that each section is preceded by an initial bibliography The exegesis also provides for each passage sections on bibliography text criticism literary introduction detailed exegesis and overall summary The Doctrine of the Covenant of Redemption

According to John Gill (1697-1771) Wang Yong Lee, 2025-02-11 What is the doctrine of the covenant of redemption Why does John Gill 1697 1771 an English Baptist pastor and theologian regard this doctrine as the kernel in his systematic theology This book explicates how core theological doctrines in the Bible e g the doctrine of God the Trinity Christology and soteriology are integrated in the doctrine of the covenant of redemption from the biblical and theological perspective of John Gill From his long pastoral experience and over fifty years of rich writing Gill demonstrates that a careful investigation of the Bible and of God the Trinity makes him love the reality of the covenant of redemption in eternity which is ultimately revealed by the gospel of Jesus Christ Gill sees those who are in the gospel of Jesus Christ as the ones through whom the eternal

reality of the covenant of redemption is manifested to the saved. Gill also encourages those who are in Christ to see the eternal reality of the covenant of redemption revealed by the gospel of Jesus Christ.

Gospel Community Neal Ledbetter, 2023-06-20 Do you long for genuine relationships where you can know others and be known by them? Do you desire more than just gathering in the same space with others without any real connection? Yet simultaneously do you find yourself occasionally pushing back when someone gets too close? Why do you think you have that longing and why do you think deep abiding relationships are such a struggle to find and maintain? In this book Pastor Neal Ledbetter makes the case that the gospel of Jesus Christ gives us answers. In the gospel we are offered the endless treasure of Jesus and the never ending overflowing supply of treasures found in him. One of the rare jewels that comes with a new identity in Christ is a new gospel community: kingdom, family, and people to which we belong and in which we can know and be known. Paul calls it our inheritance in the saints (Eph 1:18), our citizenship with the saints and our membership among the household of God (Eph 2:19-22). This new gospel community and kingdom family is simply too important and too wonderful a treasure to ignore, avoid, or treat as unnecessary, unimportant, or secondary to our lives. This study will explore the extraordinary gift we have been given in gospel community. We'll see how the gospel transforms us individually and simultaneously forms us into a new people. We'll survey how we are intended to live together and the only sustaining motive and power for doing so. And finally, we'll examine several characteristics necessary to experience the rare jewel of gospel community.

Encountering the New Testament (Encountering Biblical Studies) Walter A. Elwell, Robert W. Yarbrough, 2022-11-15 Studying the New Testament can be an exciting and intimidating experience. Other distinguishing features include abundant images, maps, and charts; all in full color; sidebars that address ethical and theological concerns; and provide primary source material, focus boxes isolating key issues, chapter outlines, learning objectives, and summaries, and study questions. An accompanying website through Baker Academic's Textbook eSources offers an array of resources for students and professors. Resources for students include flash cards and self-quizzes.
