Richelson, 2009-02-02 The first in depth examination of NEST America's super secret government agency operating to prevent nuclear terrorist attacks Jeffrey T. Richelson reveals the history of the Nuclear Emergency Support Team from the events leading to its creation in 1974 to today Defusing Armageddon provides a behind the scenes look at NEST's personnel operations and detection and disablement equipment employed in response to attempts at nuclear extortion lost and stolen nuclear material crashed nuclear powered Soviet satellites and al Qaeda's quest for nuclear weapons Richelson traces the Cosmos satellite that crashed into the Canadian wilderness nuclear threats to Los Angeles New York and other cities and the surveillance of Muslim sites in the United States after 9 11 Relying on recently declassified documents and interviews with former NEST personnel Richelson's extensive research reveals how NEST operated during the Cold War how the agency has evolved and its current efforts to reduce the chance of a nuclear device decimating an American city *Delete Hyperianism: The New Face of Cults In the Twenty-First Century* Dave Sinclair, 2023-02-18 Articles by investigative journalist David G McAfee an expert on cults have revealed what many people have been saying for years that the New Age group known as Hyperianism with several hundred fanatical followers and two millionaire backers is a dangerous cult The leader of this cult calls himself Morgue a suitably cult like appellation Other names he uses are Morgen Night the Night Bringer 89 and the Terror of Men Hyperianism preaches a highly disturbing ideology revolving around Woke extremism and it could easily be considered a hate group encouraging people to say No to normality and to normal people Hyperianism detests mainstream society The leader of the cult is a gender radical preaching a message that androgyny constitutes a higher state and he says that his cult is for people who are higher than human and beyond human He even says that he does not identify as human His misogyny is self evident in this comment I can not count how many times some spray on tan slut has inquired in disbelief why I dress the way I do or do the things I do It's not sexy she informs me Such stupidity makes me want to strangle the bitch Why should I be concerned if other people find me attractive in any way Should I change my identity for a waste producing organ between the legs Morbidly Yours Morgue This toxic leader constantly asks for financial support from people who are clearly highly vulnerable and being groomed by him The sheer number of brainwashing techniques in evidence is astonishing All his life as a street performer and expert in NLP Morgue has perfected the art of getting the weak minded to pay him for putting on a show It's essential for whistleblowers to expose these sinister

cults and their even more sinister leaders who do enormous damage to susceptible individuals who are easily psychologically manipulated and exploited by those on the Dark Triad spectrum of narcissism Machiavellianism and psychopathy This book is all about blowing the whistle on this dangerous cult and ensuring that people are warned about what they are dealing with should they ever encounter members of this cult or its sinister leader Judge for yourselves whether Hyperianism is harmless or a sick twisted cult that people must be warned about to stop more falling into its trap *Futures of Black Power* Anthony M. Donaldson Jr.,Madison W. Cates,2025-02-25 This book uncovers and centers unexpected sites of Black Power activism within the Black freedom struggle In essays interspersed with oral history interviews leading scholars look at how we study the past and suggest new ways historians can recognize Black Power and Black radicalism in the future The New World Order Mark Dice,2010-01-17 What is the New World Order Proponents say that it s an anticipated new era of global cooperation between diverse nations and cultures aimed at ushering in a utopia providing all the earth s citizens with everything they need Detractors claim it s the systematic take over by secret societies quasi government entities and corporations who are covertly organizing a global socialist all powerful government which aims to regulate every aspect of citizens lives rendering them a perpetual working class while the elite leadership lives in luxury Conspiracy theory expert Mark Dice looks at the evidence claims and conspiracy theories as he takes you down the rabbit hole to The New World Order TOPICS Calls for a New World Order by Politicians and Businessmen World Governed by the Elite Through Occult Secret Societies Mainstream Media Controlled by the Elite High Level Officials and Institutions are Above the Law Why Immorality and Destructive Behavior is Encouraged Banking Money and Taxes One World Currency Population Reduction One World Religion A Coming Global Dictator Who Will Claim to be God Global Police and Military Force A Nation of Spies and Culture of Fear Elimination of the Right to Bear Arms Elimination of National Sovereignty Monitoring the Population with Big Brother A Medicated and Sedated Population Weather Weapons and Chemtrails Nephilim and Anunnaki Satanism and Luciferianism Underground Bases and Tunnels And More By the author of The Illuminati Facts Fiction *Armageddon in Waco* Stuart A. Wright,2014-07-04 On February 28 1993 the United States Bureau of Alcohol Tobacco and Firearms BATF launched the largest assault in its history against a small religious community in central Texas One hundred agents armed with automatic and semi automatic weapons invaded the compound purportedly to execute a single search and arrest warrant The raid went badly four agents were killed and by the end of the day the settlement was surrounded by armored tanks and combat helicopters After a fifty one day standoff the United States Justice Department approved a plan to use CS gas against those barricaded inside Whether by accident or plan tanks carrying the CS gas caused the compound to explode in fire killing all seventy four men women and children inside Could the tragedy have been prevented Was it necessary for the BATF agents to do what they did What could have been done differently Armageddon in Waco offers the most detailed wide ranging analysis of events surrounding Waco Leading scholars in sociology history law and religion explore all facets of the

confrontation in an attempt to understand one of the most confusing government actions in American history The book begins with the history of the Branch Davidians and the story of its leader David Koresh Chapters show how the Davidians came to trouble authorities why the group was labeled a cult and how authorities used unsubstantiated allegations of child abuse to strengthen their case against the sect The media's role is examined next in essays that considering the effect on coverage of lack of time and resources the orchestration of public relations by government officials the restricted access to the site or to countervailing evidence and the ideologies of the journalists themselves Several contributors then explore the relation of violence to religion comparing Waco to Jonestown Finally the role played by experts and consultants in defining such conflicts is explored by two contributors who had active roles as scholarly experts during and after the siege The legal and constitutional implications of the government's actions are also analyzed in balanced clearly written detail

Homegrown Violent Extremism Erroll Southers, 2014-09-25 In the country's changing threat environment homegrown violent extremism HVE represents the next challenge in counterterrorism Security and public policy expert Erroll Southers examines post 9 11 HVE what it is the conditions enabling its existence and the community based approaches that can reduce the risk of homegrown terrorism Drawing on scholarly insight and more than three decades on the front lines of America's security efforts Southers challenges the misplaced counterterrorism focus on foreign individuals and communities As Southers shows there is no true profile of a terrorist The book challenges how Americans think about terrorism recruitment and the homegrown threat It contains essential information for communities security practitioners and policymakers on how violent extremists exploit vulnerabilities in their communities and offers approaches to put security theory into practice

Snitch Culture Jim Redden, 2000 Welcome to Snitch Culture a detailed analysis of how the growing surveillance of individuals has created a society far more insidious and pervasive than anything George Orwell ever imagined Based primarily on the experience in the United States but equally relevant to the United Kingdom and Europe the book reveals the enormous energy effort and money that is being put into creating a vast domestic intelligence network to track every man woman and child A fascinating insight into the world of big brother

The Prophecy That Is Shaping History Jon Mark Ruthven, Jon Ruthven, 2003 Millions of Jews Christians and Muslims believe that a 2 500 year old prophecy is about to be fulfilled a global apocalyptic jihad of many nations against the tiny state of Israel whose recent re emergence in its traditional land has sparked unrelenting rage and attack Repeated resolutions passed in the United Nations reflect world wide and nearly unanimous hostility against the so called Zionist entity even to the point of denying its right to exist Most news media and political analysts seem unaware of the ancient prophecy that not only predicts this apocalyptic war but also amazingly how this prophecy by Ezekiel chapters 36-44 provides the scenario for numerous best selling books in both the English speaking and Muslim worlds These best sellers not only describe this great conflagration but actually also motivate their readers to prepare for it The Prophecy That Is Shaping History represents a major advance in research and scholarship

in examining the historical and contemporary impact of Ezekiel's prophecy on world events This academic monograph also offers a wealth of new evidence in tracing the identities origins and ultimate destinies of the key nations of Ezekiel's prophecy who are seen to participate in what millions believe will be the most horrific battle the world will ever witness

Violence and New Religious Movements James R. Lewis, 2011-04-06 Violence involving alternative religions has long been a topic of intense public interest This volume examines the famous incidents of murder and suicide concerning Jonestown Heaven's Gate AUM Shinrikyo the Branch Davidians and the Solar Temple and other less prominent new religions This collection of essays represents the culmination of decades of reflection by specialists in the field **Millennial**

Violence Jeffrey Kaplan, 2013-09-13 This volume encompasses an array of material exploring the millennium phenomenon and the violent excitement it provokes Consisting of three core parts the book combines pertinent documents with insightful commentary and discussion Congressional Record United States. Congress, 1979 The Congressional Record is the official

record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **The ^Acatonsville Nine** Shawn Francis Peters, 2012-06-29 In the spring of 1968 a

group of Catholic antiwar activists barged into a draft board in suburban Baltimore stole hundreds of Selective Service records and burned the documents in a fire fueled by homemade napalm The bold actions of the Catonsville Nine quickly became international news and they remained in the headlines throughout the summer and fall of 1968 when the activists were tried in federal court Shawn Francis Peters tells the fascinating story of this singular witness for peace and social justice **Vigilantes and Unauthorized Militia in America** Charles Doyle, 2002 A vigilante group is an armed private

group that has taken the law into its own hands or that has the announced potential of doing so There are quite a number of such organisations in the contemporary United States and many have members who are said to be anti government racist or both There is a strong history of vigilante activity in the United States that is unique in modern world history In order to avoid civil disturbances Congress and a number of state legislatures have passed laws governing the organisation instruction and activities of private groups assembled to drill with practice with or demonstrate the use of firearms or explosives This is a brief overview of those laws **Assessing the threat first annual report to the President and the Congress of the**

Federal Bar News & Journal , 1994 **Seeing Red** Theodore Kornweibel, 1998 Now in Paper Seeing Red Federal Campaigns Against Black Militancy 1919 1925 Theodore Kornweibel Jr A gripping painstakingly documented account of a neglected chapter in the history of American political intelligence Kornweibel is an adept storyteller who admits he is drawn to the role of the historian as detective What emerges is a fascinating tale of secret federal agents many of them blacks who

were willing to take advantage of the color of their skin to spy upon others of their race And it is a tale of sometimes desperate and frequently angry government officials including J Edgar Hoover who were willing to go to great lengths to try to stop what they perceived as threats to continued white supremacy Patrick S Washburn Journalism History Theodore Kornweibel Jr Professor of African American history in the Africana Studies Department at San Diego State University is author of No Crystal Stair and In Search of the Promised Land Blacks in the Diaspora Darlene Clark Hine John McCluskey Jr and David Barry Gaspar general editors

Globalization and WMD Proliferation James A. Russell, James J. Wirtz, 2009-12-04 This edited volume explores the relationship between the accelerating process of globalization and the proliferation of Weapons of Mass Destruction which is increasingly seen as the pre eminent threat to international security The proliferation of Weapons of Mass Destruction has traditionally been seen as a function of the security dilemma in the state based international system But the advent of the nuclear supply network pieced together by the Pakistani scientist A Q Khan represented a departure from this model involving a variety of organizations not directly connected to a state This volume assembles an international group of experts in order to assess the relationship between proliferation and globalization to ascertain how contemporary communication transportation and financial networks are facilitating or constraining trade in dangerous contraband The book ultimately seeks to determine whether globalization is fundamentally altering the nature of the proliferation problem particularly the threat that Weapons of Mass Destruction might fall into the hands of terrorists This book will be of much interest to students of nuclear proliferation international security terrorism and IR in general

The New Calculus of Escalation Martin C. Libicki, 2025-05-02 A reevaluation of conflict thresholds in the context of complex cyber conventional and nuclear war The return of great power competition has renewed concerns about managing escalation lest a minor crisis inadvertently spiral into nuclear war This has become apparent during the war between Russia and Ukraine as Western aid for Ukraine has been predicated on avoiding Russian escalation The New Calculus of Escalation updates our understanding of conflict escalation dynamics for the twenty first century with the goal of reducing the possibility of a catastrophic war To improve mutual understanding among states Libicki rethinks conflict thresholds and exit ramps that manage escalation During the Cold War there were two critical thresholds one between peace and war and one between conventional war and nuclear war But ongoing developments in cyber and other advanced military technologies threaten command and control and blur the old thresholds Military strategists international relations scholars and graduate students will benefit from this book s cogent analytic framework in shaping future debates
