Children, Schools and Families Committee, 2008 Testing and Assessment Third report of session 2007 08 Vol 2 Oral and written Evidence **School Improvement** Martin Thrupp, 2006-02-01 Martin Thrupp argues that there has to be a much bigger educational and social justice agenda to school improvement than the managerial approaches typically taken by government policy He critiques those school improvement texts courses and consultancies which mostly frame their analyses within the terms of current policy and therefore act to apologise for it An alternative more critical approach to school improvement is developed in the book and the author also provides examples of practical strategies to be employed within this approach Understanding and Applying Assessment in Education Damian Murchan, Gerry Shiel, 2024-04-09 Designed as a pragmatic guide for new teachers and those training to teach this book is a one stop shop for understanding assessment in primary and secondary schools supported by a range of policy examples drawn from the UK Ireland and wider international contexts *Journal of Research of the National Bureau of Standards* United States.
