By Faith, Dwelling in Doubt Kyle R. Cupp, 2013-09-01 It may seem as if the concept of faith has become a line in the sand you either have it or you don't that you are either certain or you are lost But as author Kyle Cupp has learned we can have an uncertain faith while still being confident in and committed to our belief in God He shares the pressing questions and winding path to understanding in Living by Faith Dwelling in Doubt Pushed off a spiritual precipice after the death of his daughter only a few short hours after her birth Cupp shares his ongoing spiritual journey from the certainty of truth during his college years through the shaken faith that can come with lived experience to the burgeoning confidence that it takes to live somewhere in between Cupp reconciles his doubts about faith and religion and reaches a place where he is confident that faith and uncertainty can exist side by side It is the belief in the mystery that is faith and the awesome power of boundless love that makes the winding path of faith passable *A Statement of Reasons for Not Believing the Doctrines of*
