The World History Vocabulary Workbook is an awesome tool to use before a course of study as it will help you develop a strong working Insider's Language before you even begin your review. Learn the Secret to Success: After nearly 20 years of teaching, Lewis Morris discovered a startling fact: Most students didn't struggle with the subject; they struggled with the language. It was never about brains or ability. His students simply didn't have the knowledge of the specific language needed to succeed. Through experimentation and research, he discovered that for any subject, there was a list of essential words that, when mastered, unlocked a student's ability to progress in the subject. Lewis called this set of vocabulary the Insider's Words. When he applied these Insider's Words, the results were incredible. His students began to learn with ease. He was on his way to developing the landmark series of workbooks and applications to teach this Insider's Language to students around the world. *Commerce Business Daily*, 1998-07
