The Extraordinary Journey of Harry Forth Bruce K. Byers, 2014-11-26 January 1950 A small boy his brother and his father abandon their car in a blizzard near Albuquerque New Mexico Evening approaches and he fears being left behind As they push on towards a distant highway they hear a vehicle behind them It stops and the driver offers a lift They climb in and he returns them to the motel where his mother anxiously awaits them The experience leaves a deep impression on the boy that stays with him into old age January 1960 Now a junior in high school the young man struggles to fit in He is attracted to several girls but is too shy to ask them out Instead he concentrates on his after school jobs His church and membership in Explorer Scouts remind him of obligations when he really wants to enjoy greater independence He reaches a critical turning point when his French language teacher persuades him to apply for a summer student exchange program Still struggling to define his identity he applies and hopes to be accepted After failing a major French exam he doubts his chances His teacher offers him a make up exam but first he must write an essay about the exchange program and why he would like to live with a host family in another country He meets this challenge and is accepted but not in France An exchange of letters with the son of a host family in Germany heightens his desire to escape his hum drum suburban life and set out on a great adventure Using his own money he buys a ticket on a transcontinental bus and heads for Montreal to board a ship for Europe Along the way he meets several interesting passengers He embarks with hundreds of other young Americans from across the country on a ten day Atlantic crossing The young man soon realizes that he is on a much grander voyage to see a more interesting world than he had ever imagined in his home town Reaching port in Holland he and the others board trains for destinations across Europe He anticipates that the summer will be a turning point in his life *Motor Cycling and Motoring*, 1969-11
