Anchor Charts Lucy Calkins 4th Grade:

Nonfiction Mentor Texts Lynne R. Dorfman, Rose Cappelli, 2009 Guides teachers through a variety of projects samples and classroom anecdotes that demonstrate how teachers can help students become more effective writers of good nonfiction

Cases of Successful Literacy Teachers Jan Lacina, Cecilia Silva, 2010-02-08 Highlighting practices used by exemplary literacy teachers in diverse schools across the nation Using teaching vignettes cases for exploration and research in the field this text provides preservice and inservice teachers with effective research based literacy strategies they can use to improve their practice to best serve students from diverse backgrounds The cases based in urban rural and suburban settings help teachers make connections between classroom challenges and the research literature that can help them to become problem solvers and reflective practitioners Each chapter follows a consistent format in supporting the link between research and practice and includes the following key features Focus Questions Help readers make associations between the chapter text and their prior knowledge and experiences Reading Research to Know Relates a vignette to research in the field Inside the Classroom Provides a detailed vignette of teacher instruction in literacy followed by questions for discussion Summary of Strategies Used Helps teachers connect the vignette to classroom practice Case for Exploration Presents a classroom scenario along with questions for discussion Balanced Literacy Essentials Michelann Parr, 2012 This practical book offers

a comprehensive approach to teaching literacy that puts students at the centre of the learning process **Day by Day** Ruth Ayres, Stacey Shubitz, 2010 This book is a collaborative not isolated approach to teaching writing The book is organized around six fundamental components of writing workshop Each component is broken down into ten day sections so you can explore the topic in depth The authors provide daily encouragement support practical strategies tips advice and everything you need to run an effective writing workshop book cover **Readers Front & Center** Dorothy J. Barnhouse, 2014 Every teacher wants and expects his or her students to be reading increasingly complex texts yet sometimes the gap between our expectations and our students abilities seems wide and deep It s tempting to look at that gap and step in to fill it for them but then we d be doing most of the heavy lifting the understanding analysis and interpretation that our students should be learning for themselves So how can teachers reverse this trend and ensure that our students are fully entering absorbing and experiencing texts How can we make sure they re making complex meaning independently and proficiently as the Common Core State Standards require Readers Front Center answers these questions by framing instruction that starts with the student You ll learn how to do the following Research and listen to your students so your teaching can be more targeted Notice and name your students thinking so they can see what complex thinking looks and sounds like Set your students up to be problem solvers Prepare your students to do increasingly complex thinking in increasingly complex texts Filled with examples of one on one conferences small groups and whole class scenarios this essential book provides an accessible and inspiring model of how and why we need to put students at the front and center of our teaching Authors as Mentors Lucy
