after school programs and extra curricular lessons For summer and winter breaks he was busy with camps and sometimes family trips In his primary school years the boy was fine but had little patience in group settings and split grade classes His parents pursued a better fit for his education He eventually felt in the right place with the International Baccalaureate program at high school and went to a co op program for his college education to become an engineer His mother wondered sometimes if the home she had provided could have been more relaxing and better appreciated Her generation never had the time or resources Her version of his childhood is marked by persistent effort in a diverse world always with an open mind and often with love and happiness
