An Unlawful Act In Libya Based On A True Story:

An Unlawful Act in Libya John M. W. Smith, 2015-03-10 Every time you lose someone you really like you die a little Someone you've got used to who can read your every change of expression every gesture and tone of voice So begins the narrator of this story A story based on true events of what happened to one young man who ventured into Libya at the height of Colonel Gaddafi's power Most people in the prime of their lives go through a period when they feel an instant spark of rebellion in their breasts at anything labelled forbidden impossible life threateningly dangerous or otherwise regarded with fear and apprehension by others Because youth is a time to test boundaries To prove oneself to oneself and to others Everything unobtainable is a challenge And if such a challenge comes bedecked with possible financial rewards kudos and prospects of career enhancement then obviously so much the better And at this point even if you had told Gamal Ibrahim the story of Icarus son of Daedalus who dared to fly too close to the sun on wings of feathers and wax it would have made little difference And who can blame him Isn't that what being young is all about And if you had also told him that when entering a land where monsters rule it is wise to have a foolproof exit strategy he would probably have said Why What have I got to fear if my intentions are honourable and my conscience is clear Why should I need to worry if I am prepared to speak the truth at all times Ah The naivety of youth For what exactly the truth is what is right or wrong good or bad is not what concerns monsters What concerns them is power And when in power monsters tend to have their own ideas about what should or shouldn't happen and to whom

The Illegal War on Libya Cynthia McKinney, 2012-07-03 In 2011 former Congresswoman and 2008 Green Party candidate for President Cynthia McKinney took a delegation of observers to Libya to monitor NATO's purported humanitarian intervention Prefaced by Ramsey Clark this collection of essays includes scholarly and legal analysis as well as personal accounts by witnesses to the NATO assault on a helpless civilian population it had a UN mandate to protect and the massive media propaganda campaign that made it possible It responds to the many questions left unanswered by a complicit mainstream media such as Why Libya not Bahrain Yemen or Egypt What was life in Libya like under Qadhafi What is the truth about the so called Black Mercenaries What was the role of Western NGOs and the International Criminal Court What about Africom's Plans for Africa What did it have to do with Libya a independent central bank its oil its plans for an African currency its efforts to free African states from the coils of the Bretton Woods Institutions Cynthia McKinney and other contributors to this volume were in Libya during the period of the NATO bombardment of Libyan cities and were among the few independent voices to report on the tragedy Foreign Relations of the United States United States. Execute Order Jett Ward, 2018-08-20 Reaper pilot Brent Parker receives an execute order to kill the number one terrorist on the U S High Value Target list With the CIA declaring open season on terrorist around the world the aftermath places him in the cross hairs of the Iranian IRGC After a U S Navy strike Parker soon becomes a target by his own government when he is unable to stop insurgents from taking anti aircraft missiles from a destroyed Benghazi

Military Compound Now an F A 18 fighter has been shot down over hostile ISIS territory and a government conspiracy mounts to hide an international scandal that involves an execute order against an American aviator When a Special Forces team is sent on a suicide mission to eliminate the Navy pilot before he becomes captured Parker is forced to make a tough decision that will cost him his freedom With a government conspiracy closing in and a Quds agent hunting him down his past propels him to escape the confines of his prison and become the hunter against those who seek to destroy him Execute Order is an International thriller written within the technical sophistication of Tom Clancy and the precision marksmanship of Vince Flynn novels Spanning the dark mafia underworld of Las Vegas to the murky Special Operation battlegrounds of the Middle East this novel does not stop until the very last page Kidnapping Suspects Abroad United States. Congress. House. Committee on the Judiciary. Subcommittee on Civil and Constitutional Rights,1993 The Changing Face of Warfare in the 21st Century Gregory Simons,Julian Chifu,2017-07-20 This study discusses salient trends demonstrated by contemporary warfare of these first years of the 21st century The authors reinforce previous notions of Fourth Generation Warfare but most importantly explore the workings of new components and how these have modified the theory and practice of warfare beyond the basic divisions of conventional and unconventional warfare as witnessed in the preceding century Throughout history there has been a close interaction between politics communication and armed conflict and a main line of investigation of this book is to track changes that are presumed to have occurred in the way and manner in which armed conflicts are waged Using cogent examples drawn variously from conflicts of the Arab Spring the Islamic State and Russian adventurism in South Ossetia Crimea and Eastern Ukraine the authors demonstrate the application of Information Warfare the practice of Hybrid Warfare and offensive use of diplomacy communications economics and international law to obtain political and military advantages against the status quo states of the international community The authors combine a theoretical framework with concrete empirical examples in order to create a better understanding and comprehension of the current events and processes that shape the character of contemporary armed conflicts and how they are informed and perceived in a highly mediatised and politicised world **Parliament's role in conflict decisions** Great Britain: Parliament: House of Commons: Political and Constitutional Reform Committee,2011-05-17 In its report the Committee recommends that the Government should as a first step bring forward a draft detailed parliamentary resolution for consultation with us among others and for debate and decision by the end of 2011 The Committee points out that much work in this direction has already been completed and the process for decision should be relatively swift The Committee welcomes the Foreign Secretary's commitment to enshrine Parliament's role in law but says this is likely to be a longer term project Concerns around the feasibility of a statutory solution would need to be explored and resolved The Committee also recommends that Parliament's current role in conflict decisions should be clearly described in the Cabinet Manual The Manual when published is intended to be a single source of information for Ministers civil servants and others on how government works The issue of Parliament

s role in decisions to commit British forces to armed conflict abroad was an area in which considerable work was carried out before the 2010 general election particularly in the context of the war in Iraq but without any concrete result In its recent report on the constitutional implications of the Cabinet Manual the committee commented on the surprising omission from the draft Manual of any mention of Parliament s role in decisions to commit troops to armed conflict The issue became topical once again in the context of the ongoing military action in Libya *Terroristic Activity* United States. Congress. Senate. Committee on the Judiciary. Subcommittee to Investigate the Administration of the Internal Security Act and Other Internal Security Laws,1975 **Official Records** ,2003 **Fighting at the Legal Boundaries** Kenneth Watkin,2016

Fighting at the Legal Boundaries offers a holistic approach towards the application of the various constitutive parts of international law The author focuses on the interaction between the applicable bodies of law by exploring whether their boundaries are improperly drawn or are being interpreted in too rigid a fashion Emphasis is placed on the disconnect that can occur between theory and practice regarding how these legal regimes are applied and interact with one another Through a number of case studies Fighting at the Legal Boundaries explores how the threat posed by insurgents terrorists and transnational criminal gangs often occurs not only at the point where these bodies of law interact but also in situations where there is significant overlap In this regard the exercise of the longstanding right of States to defend nationals including the conduct of operations such as hostage rescue can involve the application of human rights based law enforcement norms to counter threats transcending the conflict spectrum **AF Press Clips** ,1967-07
