GUIDE TO ANALYSING COMPANIES

How do you tell how well run a company is and how well it is doing?

Which ratios and what benchmarks are best to use when assessing a company's performance?

How do you recognise danger signs on the corporate horizon?

What may be done to massage company results?

How do you make comparisons between companies operating in different sectors or incorporated in different countries?

All these important questions as well as many more are answered in this clear and comprehensive guide to the ways businesses can be analysed and assessed, which is aimed at anyone who wants to:

- make practical use of a company's annual report
- understand what drives their company
- measure a company against its competitors
- assess the financial health of a trading partner
- judge the creditworthiness of a customer or client
- assess the investment potential of a company
- appreciate alternative ways of valuing a company

Analysing Company Economist Guide Hardcover:

The Economist Guide to Analysing Companies Bob Vause, 2014-12-01 In today's volatile complex and fast moving business world it can be difficult to gauge how sound a company really is. An apparently strong balance sheet and impressive reported profits may be hiding all sorts of problems that could even spell bankruptcy. So how do you know whether a company is well run and doing well? Decide which ratios and benchmarks to use to assess performance. Work out if a company has massaged its results. Recognise the danger signs on the corporate horizon. Compare companies operating in different sectors or countries. These and many other important questions are answered in a completely updated and revised sixth edition of this clear and comprehensive guide. It is aimed at anyone who wants to understand a company's annual report, judge a customer's creditworthiness, assess a company's investment potential and much more. *Book of Business Quotations* Bill Ridgers, 2012-06-27 A collection of witty and entertaining business quotations brought together by the experts at The Economist. An inspirational, informative and insightful compendium of business wisdom. *Book of Business Quotations* brings together a remarkable collection of business quotations. Going well beyond just the most common widely known remarks from major industry figures, the book unearths little known comments from forgotten experts, novelists and other non-traditional sources, placing them alongside the words of business luminaries to craft a truly comprehensive volume. Compiled partly from talking to businessmen, journalists, writers and professors about quotations they have found particularly perceptive and partly by trawling the reference sources, business publications and The Economist itself, the book is structured alphabetically by subject with approximately 50 sections. Brings together words of wit and wisdom about business from a diverse range of sources including CEOs, novelists, business gurus and politicians. Includes remarks on all manner of current business topics from global markets to e-commerce, from business history to consultants. Quotations grouped by subject for easy access. A helpful tool for anyone working in the world of business. *Book of Business Quotations* puts pearls of wisdom from a range of sources right at your fingertips. **The Economist**, 2007 *Investing For Dummies Three e-book Bundle: Investing For Dummies, Investing in Shares For Dummies & Currency Trading For Dummies* David Stevenson, Paul Mladjenovic, Tony Levene, Kathleen Brooks, Brian Dolan, 2013-01-09 Uncover a wealth of investing insider tips and know how with this essential e-book bundle. If you think investing is only for the super rich, think again. Whether you want to invest in shares, property, bonds or other assets, *Investing For Dummies* enables you to make sound and sensible investment choices whatever your budget. So if you're looking to get a first foot on the ladder or want to add to a brimming portfolio, this book provides you with the expert advice you need to make successful investments. *Investing in Shares For Dummies* gives you the sound advice and proven tactics you need to play the markets and watch your profits grow. It introduces you to all categories of shares, shows you how to analyse the key markets and offers invaluable resources for developing a portfolio. *Currency Trading For Dummies* is a key personal finance and investment title for currency traders of all experiences.
