International Bestseller Leadership Skills:

Grass Roots Leaders Tony Buzan, Tony Dotino, 2016-04-22 Grass Roots Leaders galvanizes the emotional enthusiasm of the workforce and taps the wealth of their brain power to create an engine of innovation that ripples through the organization from the bottom up and powers it forward Tony Buzan Tony Dotino and Richard Israel pick up a theme they first introduced nearly a decade ago in The Brain Smart Leader and document a way of fundamentally changing the perspective and behaviour of leaders and employees in your organization Their approach shows how to use the brain s capacity for solving problems and implementing innovative plans to make the organization s vision a reality adopt a three speed technique first gear to slow down and allow new learning or support for difficult transition periods Second gear shifts up to a productive work outcome and then third gear revs up to champion innovation and change apply a series of proven models for dealing with information overload making the best use of scarce resources such as time and keeping sight of successful outcomes as they are developed The book accurately captures the current state of thinking in organizations as well as the latest research on how our brains work to deliver a radical blueprint for how organizations need to change to survive and what this means to their managers and to their employees If you are a leader who longs to use the grass roots intellectual capital in your organization but given the quantity of meetings e mail crises and reorganizations you simply haven t had the time this book is for you And if you are an employee who is sick and tired of daily stress bad planning and poorly thought through changes and implementations customer complaints but no improvements this book is for you too A Brain Smart Revolution in Business starts with one person You *Leadership and Personal Development* Wolfgang Amann, Katja Kruckeberg, Mike Green, 2011-09-01 The significant problems we face cannot be solved at the same level of thinking we were at when we created them Albert Einstein Modern business leaders are just too aware of how much the world has changed in the last decades and continues to do so It is little wonder then that even the best of us can feel overwhelmed by the many demands we now face in our working and private lives Summarizing the knowledge and experiences of three experts in the field and offering practical insights from specialists around the world this book offers a new approach to leadership and personal development by focussing on the links between these two areas The good old times of planning one s development in a linear step by step fashion over a lifetime are over While recognising that there are different learning styles and personality types the authors present a more proactive flexible and emergent approach to your development Topics such as sustainability complexity and creativity are considered key issues that should play a role in not only developing a positive future society but also in refining the current and future you This modern approach will give you a cutting edge advantage in our fast changing world Since the three authors whole heartedly agree with Einstein s maxim this book should be considered an attempt to equip you with new levels of thinking and new skill sets to make you more successful at leading and developing yourself and others in a variety of contexts With structured activities and proven techniques from people who have

successfully applied the lessons found in this book Leadership and Personal Development A toolbox for the 21 century professional you will be armed with an effective approach to development ATD's Handbook for Training and Talent Development Elaine Biech,2022-05-24 Start Build and Navigate Your Training and TD Career ATD s Handbook for Training and Talent Development is the premier resource and compendium of everything a training and talent development TD professional needs to know to start build and navigate a thriving career Now in its third edition and grounded by the Talent Development Capability Model this is more than a revised volume This edition offers an up to date view of the growing roles of talent development professionals our changing world of work and the critical need for business alignment Edited by Elaine Biech the third edition is divided into eight sections comprising 57 chapters authored by 100 expert practitioners the brightest thinkers in the field who share foundational and advanced perspectives and information The Handbook dives deeply into growing professional expertise and personal skills virtual learning and remote work trends affecting TD managing organizational and career change growing roles in TD and understanding organizational impact and business alignment Fifty online tools are available to download and there is also a glossary and references TD professionals keep this practical companionable volume close by it s the reference you will always turn to **The Transformational Leader** Matt Mayberry,2024-04-30 NATIONAL BESTSELLER Lead teams and organizations to unparalleled excellence through transformational leadership As we face a global leadership crisis the decade of real world experience and research from best selling author and renowned thought leader Matt Mayberry in The Transformational Leader has never been more timely Mayberry shares his experience working with hundreds of corporate leadership teams transforming underperforming teams into top performers and coaching executives to become the leaders their organizations need through transformational leadership s four core attributes idealized influence inspirational motivation intellectual stimulation and individualized consideration This book is more than just a guide to a proven approach to achieving leadership success it s a call to action that challenges you to step outside your comfort zone and create a culture where everyone feels valued heard and inspired In this book readers will learn about Confronting the reality of the leadership crisis and realizing that the actions that got us here won t get us to where we want to go How our dependence on technology has left leaders unprepared for disruption after disruption including the arrival of AI Leadership principles grounded in robust research empirical data and proven success such as agility coaching and influence The importance of inspirational leadership and how to become an inspirational leader yourself How to start influencing and impacting others regardless of rank title or position The Transformational Leader earns a well deserved spot on the bookshelves of executives managers and anyone seeking to make a bigger impact and influence others adapt to changes in modern leadership and promote positive change in themselves and throughout their organizations

Virtual Training Jeb Blount,2021-06-22 Remote learning has been around since the 18th century Caleb Phillips began advertising correspondence courses in the Boston Gazette in 1728 allowing people for the first time to learn new skills no

matter where they lived For the past 300 years virtual training in its various formats has been meandering into shore on an inevitable yet slow building tide And then just like that everything changed A global pandemic Social distancing Working from home In an instant the tide became a tsunami The global pandemic accelerated the broad adoption of virtual instructor led training along with awareness that classroom based training is often expensive inefficient and fails to deliver a fair return on investment While it is certainly more challenging to re create the collaborative environment of the physical classroom in a virtual setting virtual training combines the structure accountability and social learning benefits of classroom training with speed agility and significant cost savings Simply put virtual training enables organizations to rapidly upskill more people while generating a far higher return on the training investment Virtual training is also green Studies indicate that virtual training consumes nearly 90% less energy and produces 85% fewer CO2 emissions than classroom training Still the biggest challenge with virtual training and the reason there has been so much resistance to it is historically the experience has been excruciating Not the quality of the curriculum or content Not the talent of the trainer The learning experience There are few people who haven t had the pleasure of sitting through agonizing virtual training sessions Death by voice over PowerPoint delivered by a disengaged instructor has an especially bitter flavor It is the way virtual training is delivered that matters most When the virtual learning experience is emotionally positive Participants are more engaged embrace new competencies and knowledge sticks Participants are more likely to show up to class and be open to future virtual training Trainers enjoy their work and gain fulfillment from making an impact Leaders book more virtual training Organizations more readily blend and integrate virtual training into learning development initiatives This is exactly what this book is about Virtual Training is the definitive guide to delivering virtual training that engages learners and makes new skills and behavioral changes stick Jeb Blount one of the most celebrated trainers and authors of our generation walks you step by step through the seven elements of effective engaging virtual learning experiences Trainer Mindset Emotional Discipline Production Technology Media Visuals Virtual Curriculum Instructional Design Planning Preparation Virtual Communication Skills Dynamic Interactive Training Delivery As you dive into these powerful insights and with each new chapter you ll gain greater and greater confidence in your ability to effectively deliver training in a virtual classroom Once you master virtual training delivery and experience the power of remote learning you may never want to go back to the physical classroom again
