Value vs. Growth Investing: Which Strategy Wins?

A conceptual illustration of investment growth. A large, leafy tree with a thick trunk is shown growing out of a massive, tall stack of coins. The coins are stacked in a way that forms a solid base for the tree, with some coins visible on the sides. The background is dark and slightly blurred, with some green foliage visible at the bottom. The overall image conveys the idea of financial growth and the long-term benefits of investing.
