Fangasm Katherine Larsen,Lynn S. Zubernis,2013-10 Once upon a time not long ago two responsible college professors Lynn the psychologist and Kathy the literary scholar fell in love with the television show Supernatural and turned their oh so practical lives upside down Plunging headlong into the hidden realms of fandom they scoured the Internet for pictures of stars Jensen Ackles and Jared Padalecki and secretly penned racy fan fiction And then they hit the road crisscrossing the country racking up frequent flyer miles with alarming ease standing in convention lines at 4 A M They had white knuckled encounters with overly zealous security guards one year and smiling invitations to the Supernatural set the next Actors stripping in their trailers fangirls sneaking onto film sets drunken confessions squeals of joy tears of despair wallets emptied and responsibilities left behind intrigue and ecstasy and crushing disappointment it s all here And yet even as they reveled in their fandom the authors were asking themselves whether it s okay to be a fan especially for grown women with careers and kids Crazytalkerchicks that s what they heard from Supernatural crew members security guards airport immigration officials even sometimes their fellow fans But what Kathy and Lynn found was that most fans were very much like themselves smart capable women looking for something of their own that engages their brains and their libidos Fangasm pulls back the curtain on the secret worlds of fans and famous alike revealing Supernatural behind the scenes and discovering just how much the cast and crew know about what the fans are up to Anyone who s been tempted to throw off the constraints of respectability and indulge a secret passion or hit the road with a best friend will want to come along **Handbook of Consumer Psychology** Curtis P. Haugtvedt,Paul M. Herr, Frank R. Kardes,2018-12-07 This Handbook contains a unique collection of chapters written by the world s leading researchers in the dynamic field of consumer psychology Although these researchers are housed in different academic departments ie marketing psychology advertising communications all have the common goal of attaining a better scientific understanding of cognitive affective and behavioral responses to products and

services the marketing of these products and services and societal and ethical concerns associated with marketing processes Consumer psychology is a discipline at the interface of marketing advertising and psychology The research in this area focuses on fundamental psychological processes as well as on issues associated with the use of theoretical principles in applied contexts The Handbook presents state of the art research as well as providing a place for authors to put forward suggestions for future research and practice The Handbook is most appropriate for graduate level courses in marketing psychology communications consumer behavior and advertising Sport Psychology Daniel L. Wann, 1997 Written from a psychologist s perspective this text offers a general overview of the application of psychology to sport settings by covering a wide spectrum of sport psychology subject matter
