Ahri Executive Coaching User Guide:

Human Resource Management, 11th Edition Raymond J. Stone, Anne Cox, Mihajla Gavin, Joseph Carpini, 2024-06-04
The new edition of Raymond Stone's Human Resource Management is an AHRI endorsed title that has evolved into a modern relevant and practical resource for first year HRM students. This concise 15 chapter textbook gives your students the best chance of transitioning successfully into their future profession by giving them relatable professional insights and encouragement to exercise their skills in authentic workplace scenarios.

Workforce Development Roger Harris, Tom Short, 2013-11-19
This book captures the essence of current workforce development perspectives and draws on extensive global research to uncover a range of issues confronting organisations. Taking primarily an Australian outlook after the global financial crisis and tracing the progress of a national industry sector, each chapter delves into a major area of interest for leaders. Overall, the authors make the case that workforce development is an amalgam of activities influenced by context, politics and economic development. As the world becomes increasingly connected and mobile, workforce development is proving to be a major activity for organisations because it impacts their longer term survival and growth. To stay ahead, successful organisations focus on attracting, building, engaging and retaining talented people. However, in a financially turbulent era where strategy changes quickly, workforce development must not only plan and build the capabilities of people at work but also contribute to making employment more socially sustainable for a better world. This book provides a thought-provoking collection of scholarly work for business leaders, human resource practitioners and academics working in adult education, business psychology and social science disciplines. At the same time, it adopts an accessible style for students and others who want to know more about the development of people at work.

Human Resource Management 11e Alan Nankervis, Marian Baird, Dr Jane Coffey, John Shields, 2022-11-18
The Australian HR Institute AHRI endorsed Human Resource Management Strategy and Practice provides a strong conceptual and practical framework for students of human resource management. The successful integrative strategic HRM model is retained in this latest edition, and the most recent developments in human resource management theories and practices are explored. This is the only resource in the market that uses the Australian HR Capability Framework to teach the behaviours and capabilities required by an HR practitioner. Premium online teaching and learning tools are available on the MindTap platform. Learn more about the online tools at cengage.com/mindtap.
