

AIR FORCE BOARD FOR CORRECTION OF MILITARY RECORDS (AFBCMR)

INTRODUCTION

The Air Force Board for Correction of Military Records (AFBCMR) is the highest level of administrative review within the Department of the Air Force. Unless procured by fraud, a decision is final and conclusive on all officers (DoD) of the United States. Once applicable records are obtained, applications are screened to determine if they may be corrected without referral to the AFBCMR. In many situations, corrections to military records may be made administratively.
