The Financial Numbers Game Charles W. Mulford, Eugene E. Comiskey, 2011-03-10 Praise for The Financial Numbers Game So much for the notion those who can do those who can't teach Mulford and Comiskey function successfully both as college professors and real world financial mercenaries These guys know their balance sheets The Financial Numbers Game should serve as a survival manual for both serious individual investors and industry pros who study and act upon the interpretation of financial statements This unique blend of battle earned scholarship and quality writing is a must read must have reference for serious financial statement analysis Bob Acker Editor Publisher The Acker Letter Wall Street's unforgiving attention to quarterly earnings presents ever increasing pressure on CFOs to manage earnings and expectations The Financial Numbers Game provides a clear explanation of the ways in which management can stretch bend and break accounting rules to reach the desired bottom line This arms the serious investor or financial analyst with the healthy skepticism required to drive beyond reported results to a clear understanding of

a firm's true performance Mark Hurley Managing Director Training and Development Global Corporate and Investment Banking Bank of America After reading The Financial Numbers Game I feel as though I've taken a master's level course in financial statement analysis Mulford and Comiskey's latest book should be required reading for anyone who is serious about fundamentally analyzing stocks Harry Domash San Francisco Chronicle investing columnist and investment newsletter publisher
