e-Learning Rikke Ørngreen, Bente Meyer, Mie Buhl, 2019-11-07 **Handbook of Research on Media Literacy Research and Applications Across Disciplines** Yildiz, Melda N., Fazal, Minaz, Ahn, Meesuk, Feirsén, Robert, Özdemir, Sebnem, 2019-06-28 The digital age has made it easy for anyone even those with limited technology proficiency to create some form of media. With so many different types of media and the sheer volume of information coming from a wide array of sources, media literacy has become an essential skill that can be very difficult to learn and teach. The Handbook of Research on Media Literacy Research and Applications Across Disciplines aims to present cross-disciplinary examinations of media literacy, specifically investigating its challenges and solutions and its implications for P-20 education. An assemblage of innovative findings centered on national and international perspectives with topics including critical thinking and decision-making processes, smart consumerism, recognizing point of view, media influence, responsible media creation, cyber threats, media literacy instruction, among others, this book is ideally designed for educators, researchers, activists, instructional designers, media specialists, and professionals.

Social Media and Modern Society - How Social Media Are Changing the Way We Interact with the World Around Ján Višňovský, Jana Majerová, 2024-11-27 This book offers a compelling exploration of how social media platforms are reshaping contemporary life and driving economic, political, and cultural transformations. It brings together theoretical insights and empirical studies to examine the multifaceted impact of social media on communication, behavior, policy, and societal norms. The various chapters address critical issues such as digital marketing, social responsibility, and the role of influencers, emphasizing how businesses and individuals are navigating the evolving digital landscape. The book delves into pressing concerns including the psychological effects of social media on youth, the spread of misinformation, and the challenges of digital addiction. It highlights the dual nature of social platforms as both enablers of civic engagement and sources of division, presenting case studies on topics such as political discourse, community activism, and local democracy.

Social Media in Society Jonathon Hutchinson, Fiona Suwana, Cameron McTernan, 2024-10-17 This book is about the role that social media plays in the lives of individuals, societies, economies, and politics. It therefore takes a wide view of the emergent and changing impacts of social media platforms and social media practices. As a consequence, it examines social media use through various intellectual and scholarly traditions: psychology, sociology, cultural studies, economics, and national and global politics, but it is primarily situated in the field of media and communications studies. As such, it frames its analysis of social media impacts using media studies concepts and terminology and places media, texts, forms, industries, and agents, producers, audiences, and other users at the centre of each thematic chapter.
