

1990 GRAND AM SERVICE MANUAL

This manual applies to the 1990 Pontiac Grand Am. It contains the latest product information available at the time of publication approval. Information pertaining to the operation of the vehicle is contained in the Owner's Manual which accompanies each vehicle. The right is reserved to make changes at any time without notice.

Any reference to brand names in this manual is intended merely as an example of the types of lubricants, tools, materials, etc. recommended for use in servicing 1990 Pontiac Models. In all cases, an equivalent may be used.

NOTICE: When fasteners are removed, always reinstall them at same location from which they were removed. If a fastener needs to be replaced, use the correct part number fastener for that application. If the correct part number fastener is not available, a fastener of equal size and strength (or stronger) may be used. Fasteners that are not reused, and those requiring thread locking compound will be called out. The correct torque value must be used when installing fasteners that require it. If the above conditions are not followed, parts or system damage could result.
