America's (Math) Education Crisis Larry Zafran, 2010-10-19 America s education system is in a state of crisis A growing number of America s youth cannot read write or do math at all close to grade level In many cases these students and their families do not realize this or care The situation is compounded by the fact that American society no longer values education and does not understand how learning actually works Frequent reference is made to the illusion of learning in underperforming schools The book explains the difference between true learning and just being exposed to material It explains the essential role that parents play and that even with encouragement a child cannot be forced to learn The book is targeted at parents teachers administrators government officials and concerned citizens Older students may also benefit from reading it Despite its frankness about topics which are often disregarded and avoided there is nothing in the book that students don t intuitively understand In particular many students regularly experience the anonymity of being herded like cattle The goal of the book is to raise awareness and discuss whether we can fix the problem We cannot address our nation s

education crisis until people understand its underlying causes and scope The book tells the truth in contrast to the misinformation provided by the government and the news media Suggested changes for improvement are made including those that can be implemented quickly and easily and those that require a great deal of money and coordination along with a fundamental change in how America handles education This book is controversial and covers issues that may anger upset or confuse some readers The book includes curse words to paint a vivid picture of the way many students speak and bluntly labels key aspects of our education system as bullsh t where applicable American Education ,1980 *U.S. Army Special Forces Language Visual Training Materials - UZBEK - Plus Web-Based Program and Chapter Audio Downloads* , Now included at the end of the book is a link for a web based program PDFs and MP3 sound files for each chapter Well over 500 pages Developed by I Corps Foreign Language Training Center Fort Lewis WA For the Special Operations Forces Language Office United States Special Operations Command LANGUAGE TRAINING The ability to speak a foreign language is a core unconventional warfare skill and is being incorporated throughout all phases of the qualification course The students will receive their language assignment after the selection phase where they will receive a language starter kit that allows them to begin language training while waiting to return to Fort Bragg for Phase II The 3rd Bn 1st SWTG A is responsible for all language training at the USAJFKSWCS The Special Operations Language Training SOLT is primarily a performance oriented language course Students are trained in one of ten core languages with enduring regional application and must show proficiency in speaking listening and reading A student receives language training throughout the Pipeline In Phase IV students attend an 8 or 14 week language blitz depending upon the language they are slotted in The general purpose of the course is to provide each student with the ability to communicate in a foreign language For successful completion of the course the student must achieve at least a 1 1 1 or higher on the Defense Language Proficiency Test in two of the three graded areas speaking listening and reading Table of Contents Introduction Introduction Lesson 1 People and Geography Lesson 2 Living and Working Lesson 3 Numbers Dates and Time Lesson 4 Daily Activities Lesson 5 Meeting the Family Lesson 6 Around Town Lesson 7 Shopping Lesson 8 Eating Out Lesson 9 Customs and Courtesies in the Home Lesson 10 Around the House Lesson 11 Weather and Climate Lesson 12 Personal Appearance Lesson 13 Transportation Lesson 14 Travel Lesson 15 At School Lesson 16 Recreation and Leisure Lesson 17 Health and the Human Body Lesson 18 Political and International Topics in the News Lesson 19 The Military Lesson 20 Holidays and Traditions *American More!
