I DO WE DO YOU DO: An RTI Intervention for Math Problem Solving Grades 1-5 is a ready-made intervention based on best practices and current research for students struggling with the underlying thought processes and step-by-step procedures of math problem solving. Each section includes a Universal Screening, data point assessments, and intervention cards which can be copied and used with individual students or small groups of students. The I DO WE DO YOU DO intervention takes the guess work out of how to intervene with students at risk of failure and provides teachers with the tools necessary to meet their individual needs. A total of 36 problem solving cards are included for each grade 1-5 and follow three simple steps: 1. Teacher models, 2. Teacher-student work collaboratively, and 3. Student completes independently. Detailed directions, progress monitoring graphs, and a scoring rubric are included making the analysis of data easy to record and understand. Also available in spiral bound at lulu.com.
