

CHAPTER 1

Elise could just barely hear the toll of Big Ben in the distance. Four o'clock. A decent enough time for finishing the book.

But when the book wasn't lit, was it really a book thing to break it?

Slipping around a corner, Elise pulled the book from her pocket. Although London was only an hour's ride by train from her hometown, she was not familiar with this particular neighborhood.

CHAPTER 1

The Name of the Author

The streets of London were not quite the same as the streets of New York, and the people were not quite the same. But London was a city of many wonders, and the people were not quite the same. The streets were not quite the same, and the people were not quite the same. The streets were not quite the same, and the people were not quite the same.

From being their first sight of the city, where the streets were not quite the same, and the people were not quite the same. The streets were not quite the same, and the people were not quite the same. The streets were not quite the same, and the people were not quite the same.
