Ambitious Antiquities, Famous Forebears Karl A.E. Enenkel, Konrad Adriaan Ottenheym, 2019-09-16 This monograph studies the constructions of impressive historical descent manufactured to create national regional or local antiquities in early modern Europe 1500 1700 especially the Netherlands This was a period characterised by important political changes and therefore by an increased need for legitimation a need which was met using historical claims Literature scholarship art and architecture were pivotal media that were used to furnish evidence of the impressively old lineage of states regions or families These claims related not only to Classical antiquity in the generally known sense but also to other periods that were regarded as periods of antiquity such as the chivalric age The authors of this volume analyse these intriguing early modern constructions of appropriate antiquities and investigate the ways in which they were applied in political intellectual and artistic contexts in Europe especially in the Northern Low Countries This book is a revised and augmented translation of *Oudheid als ambitie De zoektocht naar een passend verleden 1400 1700* Nijmegen Vantilt 2017 *Journal of the Royal Asiatic Society of Great Britain & Ireland* Royal Asiatic Society of Great Britain and Ireland, 1899 Has appendices

Augustine's City of God Gerard O'Daly, 2020 b The most influential of Augustine's works *City of God* played a decisive role in the formation of the Christian West b Augustine wrote *City of God* in the aftermath of the Gothic sack of Rome in AD 410 at a time of rapid Christianization across the Roman Empire Gerard O'Daly's book remains the most comprehensive modern guide in any language to this seminal work of European literature In this new and extensively revised edition O'Daly takes into account the abundant scholarship on Augustine in the twenty years since its first publication while retaining the book's focus on Augustine as a writer in the Latin tradition He explores the many themes of *City of God* which include cosmology political thought anti-pagan polemic Christian apologetic theory of history and biblical interpretation This guide therefore is about a single literary masterpiece yet at the same time it surveys Augustine's developing views through the whole range of his thought As well as a running commentary on each part of the work O'Daly provides chapters on the themes of the work a bibliographical guide to research on its reception translations of any Greek and Latin texts discussed and detailed suggestions for further reading [Esotericism and Deviance](#), 2024-02-06 The concept of deviance has been central to the academic study of Western esotericism since its inception This book being the proceedings of the 6th Biennial Conference of the European Society for the Study of Western Esotericism ESSWE explores the relationship between esotericism and various forms of deviance as concept category and practice from antiquity until late modernity The volume is the first to combine incisive conceptual explorations of the concept of deviance and how it informs and challenges the study of esotericism alongside a wide range of empirically grounded case discussions [A Scholar's Path](#) Qingshan Chen, Chiu Ming Chan, 2010 English translation and appreciation by Peter Chen and Michael Tan Reviewed by Chan Chiu Ming An original English translation from the Chinese text A companion edition of the book in Chinese is available the original classical text translated into modern Chinese and profusely annotated by Associate Professor Dr Chan Chiu Ming of National
