Ame Zion Sunday School Lesson 2014

John Elford

Ame Zion Sunday School Lesson 2014:

ReVisioning James Romaine,Linda Stratford,2014-05-20 ReVisioning Critical Methods of Seeing Christianity in the History of Art examines the application of art historical methods to the history of Christianity and art As methods of art history have become more interdisciplinary there has been a notable emergence of discussions of religion in art history as well as related fields such as visual culture and theology This book represents the first critical examination of scholarly methodologies applied to the study of Christian subjects themes and contexts in art ReVisioning contains original work from a range of scholars each of whom has addressed the question in regard to a well known work of art or body of work How have particular methods of art history been applied and with what effect The study moves from the third century to the present providing extensive treatment and analysis of art historical methods applied to the history of Christianity and art

The Doctrine and Discipline of the African Methodist Episcopal Zion Church 2012 Discipline Codification

Commission,2014-12-11 The Doctrine and Discipline of the AME Zion Church 2012 is the Book of Discipline for this 218 year old denomination Based upon the original tenets of Wesleyan theology and doctrine and under girded by its founders of African birth the churchs mission is to promote freedom and liberty to the lost and disenfranchised *Moved to Tears*

Rebecca Bedell,2018-11-13 In this volume Bedell examines received ideas about sentimental art Countering its association with trite and saccharine Victorian kitsch she argues that major American artists from John Trumbull and Charles Willson Peale in the eighteenth century and Asher Durand and Winslow Homer in the nineteenth to Henry Ossawa Tanner and Frank Lloyd Wright in the early twentieth produced what was understood in their time as sentimental art art intended to develop empathetic bonds and to express or elicit social affections including sympathy compassion nostalgia and patriotism *Our Hearts Were Strangely Lukewarm*

John Elford,2023-05-26 Our Hearts Were Strangely Lukewarm summons the reader on a most unusual journey through Methodist history Along the way we discover how the White American Methodist Church became deeply entangled with White supremacy From the founding of the church in the late eighteenth century to the present we have too often been silent bystanders or active accomplices in the enormous harm caused by racism It s a complicated and shameful story few Methodists know And yet if we want to transform the world toward a different and better future for all one free of the stranglehold of racism we must come to terms with the story of our past the whole story Our Hearts Were Strangely Lukewarm is a trustworthy guide into the church s troubled history It s also a present day call to action that finds inspiration in those Methodists who stood against the tide and those guiding the church today toward the horizon of racial justice **Jesus in a Fairy Tale**

Mary Peterson,2014-10-07 In every part of anything we do Jesus is present This book piques the imagination of children who want to learn more about Jesus It will guide the teacher to a new approach through lessons participation playacting and games If you ever wondered how to teach children in a way that would hold their attention and give them better understanding then these are the lessons for you Each section is planned separately

according to what is being taught and can be used for any age group The idea of a fairy tale is used to teach about leadership love and building a strong foundation Use the current events lesson to teach about trust in God There is even a section on sports One lesson is named Hit a Home Run for God All lessons are informative and creative and they all allow the children to use their imagination The holidays are taught in an unusual way The Christmas lesson is titled The Thinker and it brings a message that is clear to all The games and music sections are included to challenge children s minds and incite curiosity as well as fun My book is for teachers who want to do more than read or talk to the class about Jesus it is meant to be used to captivate their minds and encourage learning
