

The **HISTORY** *Journals* 

A black and white photograph of the iconic Iwo Jima flag-raising. Five soldiers are shown in a dynamic, struggling pose as they hoist a large American flag onto a rocky peak. The flag is partially unfurled, showing the stars and stripes. The background is a hazy, overcast sky. The soldiers are wearing military uniforms and helmets, and their expressions are one of intense effort.

Education and Training (LET) 1, 2001 *Congressional Record* United States. Congress, 1983 Religion in America:

The Basics Michael Pasquier, 2023-03-29 Religion in America The Basics is a concise introduction to the historical development of religions in the United States It is an invitation to explore the complex tapestry of religious beliefs and practices that shaped life in North America from the colonial encounters of the fifteenth century to the culture wars of the twenty first century Far from a people unified around a common understanding of Christianity Religion in America The Basics tracks the steady diversification of the American religious landscape and the many religious conflicts that have changed American society At the same time it explores how Americans from a variety of religious backgrounds worked

together to face the challenges of racism poverty war and other social concerns This thoroughly revised second edition now covers the Obama and Trump administrations Black Lives Matter Christian nationalism pluralism and the development of the nones and the unaffiliated With each chapter featuring concise summaries and suggested further readings this book is an invaluable resource for students approaching the history of religion in America for the first time

Let Us Fight as Free Men Christine Knauer, 2014-04-22 Today the military is one the most racially diverse institutions in the United States But for many decades African American soldiers battled racial discrimination and segregation within its ranks In the years after World War II the integration of the armed forces was a touchstone in the homefront struggle for equality though its importance is often overlooked in contemporary histories of the civil rights movement Drawing on a wide array of sources from press reports and newspapers to organizational and presidential archives historian Christine Knauer recounts the conflicts surrounding black military service and the fight for integration Let Us Fight as Free Men shows that even after their service to the nation in World War II it took the persistent efforts of black soldiers as well as civilian activists and government policy changes to integrate the military In response to unjust treatment during and immediately after the war African Americans pushed for integration on the strength of their service despite the oppressive limitations they faced on the front and at home Pressured by civil rights activists such as A Philip Randolph President Harry S Truman passed an executive order that called for equal treatment in the military Even so integration took place haltingly and was realized only after the political and strategic realities of the Korean War forced the Army to allow black soldiers to fight alongside their white comrades While the war pushed the civil rights struggle beyond national boundaries it also revealed the persistence of racial discrimination and exposed the limits of interracial solidarity Let Us Fight as Free Men reveals the heated debates about the meaning of military service manhood and civil rights strategies within the African American community and the United States as a whole

Peddling Bicycles to America Bruce D. Epperson, 2014-01-10 This economic and technical history of the early American bicycle industry focuses on the crucial period from 1876 to the beginning of World War I It looks particularly at the life and career of the industry s most significant personality during this era Albert Augustus Pope After becoming enamored with English high wheeled bicycles during a visit to the Philadelphia World s Fair in 1876 Pope soon started paying Hartford Connecticut s Weed Sewing Machine Company to make his own brand of high wheeler the Columbia the first to be manufactured in America in significant numbers A decade later Pope bought out that company and ten years after that Hartford s Park River was lined with five of Pope s factories This book tells the story of the Pope Manufacturing Company s meteoric rise and fall and the growth of an industry around it
