American College Of Surgeons Advanced Trauma Life Support Guidelines:

Manual of Definitive Surgical Trauma Care 3E Kenneth D Boffard, 2011-08-26 Manual of Definitive Surgical Trauma Care is an essential manual for all trainee and qualified surgeons. It covers every aspect of surgical trauma care. Provides clear access to all necessary information from theory of injury through to individual organ system injury and resources such as injury scoring. Provides clear surgical guidance on how to deal with major trauma. Updated to incorporate all recent developments including massive transfusion and current surgical techniques of exposure and repair. Contains hints, tips, and tricks while highlighting the pitfalls that can occur when dealing with major trauma. A truly global perspective based on the IATSIC approved DSTC course. Manual of Definitive Surgical Trauma Care will give you the confidence to focus on life-saving surgical techniques when faced with challenging and unfamiliar incidents of trauma. Written by the faculty who teach the DSTC Course developed for the International Association for Trauma Surgery and Intensive Care (IATSIC), it is ideal for all surgeons who deal with major surgical trauma on an infrequent basis.

AACN Procedure Manual for Progressive and Critical Care - E-Book AACN, 2023-07-07 American Journal of Nursing (AJN) Book of the Year Awards 1st Place in Critical Care Emergency Nursing 2024. Selected for Doody's Core Titles 2024 with Essential Purchase designation in Critical Care. Edited by the American Association of Critical Care Nurses and written by more than 100 critical care experts under the direction of Karen L Johnson PhD RN FAAN, this definitive reference represents the gold standard of care for procedures performed in progressive and critical care settings. It guides you through procedures common to the adult critical care environment, including those performed by advanced practice nurses, in an illustrated step-by-step format. This edition, now in full color, features new procedures, new and updated illustrations, and updated content throughout, reflecting the latest evidence-based guidelines and national and international protocols. Quick reference tabs make it easier than ever to locate content quickly. This new edition integrates key AACN initiatives such as Practice Alerts and coordinates closely with the AACN Core Curriculum for Progressive and Critical Care Nursing, 8th Edition. Chapter-specific quick links employ QR codes for instant access to high-quality online references. Edited by the American Association of Critical Care Nurses, written by more than 100 expert critical care clinicians under the direction of Karen L Johnson PhD RN FAAN, and extensively reviewed by more than 100 additional critical care experts to ensure the accuracy and currency, Comprehensive coverage includes all procedures commonly performed in progressive and critical care settings, including those performed by advanced practice nurses, indicated by an AP icon. Straightforward step-by-step organization uses consistent headings to make following a procedure and finding the various supporting elements quick and easy, with bulleted lists, tables, and detailed illustrations throughout to ensure that content is easy to reference and follow. Rationales for all interventions in patient and family education, assessment, patient preparation, procedure, and monitoring help students understand the rationale for every step, and a level of evidence is provided when a research base exists to substantiate an intervention, giving insight into the strength of recommendations.
