

Unit 1 Review

1. What is the difference between the three types of representative democracies: participatory democracy, pluralist democracy, and elite democracy?
 - Participatory – the people directly have the power to make policy
 - Pluralist – different groups compete/have power to make policy
 - Elite – a small group of people who have more power, make policy
2. Give examples of how participatory democracy is presented in American government.
State/local levels of government – initiative, referendum, & recall
 - Initiative – the people initiate/begin a law themselves
 - Referendum – the people vote directly on a law
 - Recall – the people can vote an elected official out of office before their term ends
3. Give examples of how pluralist democracy is presented in American government.
 - Interest groups
 - Political parties
4. Give examples of how elite democracy is presented in American government.
 - Old, white, rich, Protestant, men = Congress
 - Electoral College (electors choose the President)
5. Define popular sovereignty. How is this reflected in American government?
 - Consent of the governed/Government is created and given its power by the people
 - We choose our representatives (Congress members)
6. Define limited government. How is this reflected in American government?
 - A government that has limited powers (Constitution will limit the powers of the government)
 - Separation of powers, checks and balances, federalism, Bill of Rights
7. Define social contract. How is this reflected in American government?
 - Agreement between the people and government (people will agree to give up some freedoms/rights in order to be protected by the government)
 - Bill of Rights is not absolute (ex: can't yell fire in crowded movie theater), PATRIOT ACT after 9/11
8. Define republic. How is this reflected in American government?
 - Political system where people choose representatives to represent them
 - Electing our Congress members
9. What Enlightenment philosopher came up with the idea of natural rights? According to this person

What students think they know about politics is often based on common myths. Rather than dismissing those myths as outright falsehoods, this text encourages students to confront their preconceived notions in order to think critically about government and politics. Clearly and distinctively woven into each chapter, the myths and realities theme provides a pedagogical framework that engages students with interesting problems while effectively covering the core concepts of American government. **American Government: Annotated teacher's ed**, 1987 *Magruder's American Government*
