Outlines of English grammar and analysis. [With] Key Walter Scott Dalgleish, 1867 **A Biblical Theology of Gerassapience** Joel A. A. Ajayi, 2010 Ancient cultures such as that of the Hebrews commonly associated wisdom with advanced years In A Biblical Theology of Gerassapience the author investigates the validity of this correlation through an eclectic approach including linguistic semantic tradition historical and socio anthropological methods to pertinent biblical and extra biblical texts There are significant variations in the estimation of gerassapience or old age wisdom in each period of ancient Israel s life that is in pre monarchical monarchical and post monarchical Israel Throughout this study appropriate cross cultural parallels are drawn from the cultures of ancient Israel s neighbors and of modern societies such as the West African Yoruba tribe The overall results are bi dimensional On the one hand there are semantic elements of gerassapience such as the elusiveness of wisdom and the mild fluidity of old age Both terms have strong contextual affinity with minimal exceptions Thus the attribution of wisdom to old age is evident but not absolute in the Hebrew Bible Old Testament On the other hand gerassapience is depicted as primarily didactic through direct and indirect instructions and counsels of the elderly fostering the saging fear of Yahweh legacies On the whole socio anthropocentric tendencies of gerassapience that is of making old age a repertoire of wisdom are checked by theological warrants of theosapience Yahwistic wisdom Therefore in the Hebrew Bible the fear of Yahweh is also the beginning of growing old and wise *Key to ... Bloodless Atonement? Benjamin J. Burkholder,2017-06-27 Does the Messiah have to die to pay for his people s sins Is the cross of Jesus an atoning sacrifice In recent decades a burgeoning number of theologians have answered the aforementioned questions in the negative In fact some like Rene Girard have gone so far as to assert that seeing the cross as an atoning sacrifice undermines the very essence of the New Testament Gospels While Girard and others following in a similar vein have offered provocative alterations to soteriology that no longer need Jesus s death to acquire forgiveness from God does a bloodless atonement have biblical support Does a nonviolent understanding of the atonement harmonize with the Gospels This particular volume answers these questions with a fresh look at the Synoptic portraits of the Last Supper accounts In them Jesus expounds upon the significance of his death by using the Passover symbols of bread and wine More importantly in these passages in the Gospels we find the fullest articulation of how Jesus s death benefits his followers Holding a wealth of dense theological riches these passages provide theological parameters that can inform contemporary soteriological development especially that which appeals to the New Testament for its basis Conversant with both biblical studies and contemporary theology the work seeks to bring the best of both fields into conversation in productive new ways
