### Spelling Strategy Activity

#### Dear Family,

Just now did I write the spelling words correctly on a separate sheet of paper. As you work with your children practice the word's spelling words, for the following activity.

Homophones are words that sound the same but are spelled differently. Create sentences for the homophones in Unit 28 for your child. Have him or her say the homophones in each sentence carefully at first. Then have him or her say the spelling word but is a homophone for the word used, use it in a sentence, and spell it aloud. Finally, have your child write the pair of homophones. There is one group of three homophones.
