

The cover of the 'Climate Studies Investigations Manual' features a composite background. The top half shows a vast, flat landscape under a hazy, orange-tinted sky, possibly a desert or a dry lake bed. The bottom half is split: the left side shows a close-up of a sandy dune, and the right side shows a dark, winding path or river cutting through a greenish-brown field. A small, solid green square is positioned on the left side, overlapping the boundary between the top and bottom images.
