Alchemy Cherry Gilchrist,2015-06 Packed with strange stories and shiny nuggets of information Alchemy the Great Work is erudite but reads very clearly But what I admire about it most is how enlightening and enlivening it is Jonathan Black Alchemy is the art of transformation At its simplest the alchemist turns base metals into gold However this is only one dimension of alchemy at a more sophisticated level the alchemist s base metal is symbolic of himself that needs to be worked upon and the gold produced is the alchemist himself in his or her quest to perfect his own nature In short true alchemy is a discipline involving physical physiological and spiritual work aimed at producing wholeness and enlightenment From the origins of alchemy both reputed and documented Cherry Gilchrist s lively and sympathetic narrative takes the reader from the alchemical interests of the ancient Egyptians to the flowering of alchemy in the seventeenth century She also elucidates the complexities of alchemical symbolism and examines the ways in which alchemy has developed in the twentieth century With an introduction by Jonathan Black

Alchemy E. J. Holmyard,1957 Tower of Alchemy David Goddard,2020-07 The Tower of Alchemy is the first book published in the West to openly reveal the teachings and practice of the Hermetic Art in plain language In this advanced manual the alchemical symbols and motifs cease to be a bewildering maze and become helpful signposts on the Path of Liberation David Goddard clearly explains the interior practices that are the essence of the Great Work itself By assimilating the knowledge and practicing the exercises contained in this book you will find that the once confusing alchemical illustrations are now illuminated mandalas Using classical Qabalah and traditions as diverse as the Grail legend Yoga and Tibetan Buddhism Goddard allows students access to the higher Mysteries His specific teachings and guided practices will enable you to attain the secret to all spiritual works which can culminate in the completion of the Great Work
