Europe during WWII and a fascinating look at one of America's forgotten heroes **The U.S. House of Representatives**

Matthew Spieler, 2015-12-01 The third book in the Fundamentals of American Government civics series explores the inner workings of this important part of the legislative branch. As with *Selecting a President* and *The U.S. Senate*, this book is written for all audiences but voiced toward high school seniors and college freshmen or any citizen interested in a concise yet authoritative exploration of this representative entity.
