Counterfeit Gospels Trevin Wax,2011-04-01 What if the biggest danger to the church of Jesus Christ is not blatant heresy the moral failures of church leaders persecution the rise of Islam or the loss of our rights What if the biggest threat is counterfeit gospels within the church ways of thinking and speaking about the good news that lead to a gradual drift from the truth of Scripture The gospel is like a three legged stool There s the Gospel Story the grand narrative of Scripture Creation Fall Redemption Restoration Within that overarching framework we make the Gospel Announcement about Jesus Christ His perfect life substitutionary death resurrection exaltation The gospel announcement then births the Gospel Community God s church the embodiment of the gospel the manifestation of God s kingdom A counterfeit gospel is like a colony of termites eating away at one of the legs of this stool until the whole thing topples over This book exposes six common counterfeits Therapeutic Judgmentless Moralist Quietist Activist and Churchless that would get us off track The goal of Counterfeit Gospels is to so deepen our love for the unchanging gospel of Jesus Christ that we would easily see through the many counterfeits that leave us impoverished So come love the gospel recognize and overcome the counterfeits and be empowered for ministry

Pathways With Purpose Sarah J. Royer,2018-08-21 When I started thinking about building a Faith based curriculum for the early childhood classroom my goal was to create a curriculum that would catch the interest of children 0 Kindergarten See I have worked in the early childhood classroom for almost two decades and while the goal is at the heart of the curriculum I have used the interest it has sparked in our young ones is mild and dulled down at best How can we best instill an excitement to learn in our young ones By making the material and manipulatives hands on and exciting I don t mean by reading a story and pulling out paper puppets on craft sticks although this may be what some children like and want to explore What I mean is presenting values and morals in an explorative manner in conjunction with developmentally appropriate learning standards that help engage your students in learning experiences while getting them excited Including stories and sensory materials story buckets role playing with dress up materials including a variety of mixed media to spark your student s interests is absolutely necessary Create an environment that appeals to learners of various ages backgrounds and learning styles Make your lesson times fun and interesting and your learners will gravitate back for more

The Sacredness of Secular Work Jordan Raynor,2024-01-30 From a leading voice in the faith and work movement and author of Redeeming Your Time comes

the revolutionary message that God sees our daily work in whatever form it takes with far more value than we ever imagined. The Sacredness of Secular Work does an extraordinary job of being both personally relevant and more importantly biblically faithful. Randy Alcorn, New York Times bestselling author of *Heaven*, asks: Does your work matter for eternity? Sadly, most believers don't think so. Sure, the 1 percent of the time they spend sharing the gospel with their co-workers matters. But most Christians view the other 99 percent of their time as meaning very little in the grand scheme of things. But that's not how God sees it. Jordan Raynor, a leading voice in the faith and work movement and bestselling author, offers a revolutionary message about how our daily jobs, from baristas and entrepreneurs to stay-at-home parents and coaches, have intrinsic and eternal value. In *The Sacredness of Secular Work*, he reveals unexpected ways our work truly matters. In these pages, you'll discover how a low regard of our work limits our understanding of God and His Kingdom. Inspiring ways your work can reveal God's kingdom on earth here and now. Surprising strategies for ensuring your vocation has an eternal legacy. Vital insights on what God's view of work tells us about heaven. Combining research, Scripture, and storytelling, Jordan Raynor proves that work in its diverse forms is one of the primary activities that brings God delight. This biblical perspective will set you free to pursue your passions and skills and perhaps for the first time experience the Creator's delight in the work of your hands.

Blowing Smoke Michael Wolraich, 2010-10-12. HAS AMERICA LOST ITS MARBLES? Television sensation Glenn Beck warns of White House plots to institute fascism, communism, and other terrifying isms. Radio titan Rush Limbaugh charges that a racist Obama regime encourages black schoolchildren to beat up white kids. Evangelical luminary James Dobson frets that Christians will be arrested for thought crimes and people will be allowed to marry donkeys. Protesters in knickers and colonial style hats march on Washington with signs that order Hitler-like caricatures of President Obama to return to Kenya. As madness reigns, pundits, politicians, and cab drivers debate the source of the hysteria. Some blame ignorance, some blame racism, some blame the economy. After poring over mountains of political screeds and heedlessly subjecting himself to countless hours of Fox News, author Michael Wolraich discovered the secret formula that turns ordinary men and women into fire-breathing smoke-blowing right-wing maniacs. It's persecution politics again. In *Blowing Smoke*, Wolraich dissects and deconstructs the myths that underlie the right's growing reliance on the politics of persecution, from Joe McCarthy to the Tea Party movement. In the process, he delivers an original and compelling hypothesis with penetrating insight and blistering wit. At turns hilarious, disturbing, and edifying, *Blowing Smoke* is a must-read account of modern American politics.
