

The Writers and Movements of American Literature Research Paper

For this assignment, you will be composing a research paper based on 1) a literary movement, 2) an author associated with that literary movement, and 3) a short work by that author. YOU will be allowed to select the literary movement and author from the extensive list that has been provided for you in this assignment packet.

Please note: this Research Paper is an assignment of exceptional breadth and importance within the 11th grade English curriculum. We will be moving through the writing process slowly (thus the six week work period), and some of the paper will be worked on in class. However, students will have to complete what they do not finish in class at home on their own time. Also note that this assignment is worth an exceptionally high number of points, and if students do not complete it – or only complete a portion of it – their overall course grade may be impacted significantly! Remember, part of the purpose behind this assignment is to learn the **PROCESS** of writing a research paper, if a step is missing, I **will not** grade the steps that follow it, no matter what. If a student does not have a step completed by the due date, he or she must complete it late (for half credit) if he or she plans to continue with the assignment.

This project has been broken up into 10 steps. Each step must be completed, in the following order:

1. Research Paper Information Packet signed and materials obtained
2. Question Outline
3. Note Cards (30 minimum)
4. Information Outline
5. Rough Draft of Written Project
6. Peer-Editing and Proofreading
7. Title page and table of contents
8. Final Draft of Written Project
9. Works Cited List
10. Presentation of research

As stated before, because part of the purpose of this assignment is to learn the **PROCESS** of writing a research paper, **if a step is missing, then I will not grade the steps that follow it.** By way of an example, if you completed steps 1, 2 and 3, skipped 4 and 5, but went on to complete steps 6 and 7, I will stop grading your project at step 3.

Your final written paper has no minimum or maximum length, but history has shown that successful research papers are, on average, between **6-10 pages** in length (including the title page, table of contents, and works cited page). You must use a minimum of **four (4)** and a maximum of **six (6)** sources when researching your writer and literary movement; you will only be allowed to use **two (2)** internet sources total. You **MUST** get internet sources pre-approved for your written paper. They will not be accepted otherwise. You will also be asked to do a presentation of your report either using Prezi or PowerPoint that you will present to the class.
