

NATIONAL BESTSELLER

JOSEPH J. ELLIS

Pulitzer Prize-winning author of
FOUNDING BROTHERS

American Creation

"Illuminating. . . . Compelling. . . . Focuses on a series of key moments: most notably, Valley Forge, the standoff between the Federalists and their opponents, [and] the consequences [of] the Louisiana Purchase on slavery and the treatment of Indians." —Michiko Kakutani, *The New York Times*

American Creation Joseph J Ellis:

American Creation Joseph J. Ellis, 2007-10-30 From the first shots fired at Lexington to the signing of the Declaration of Independence to the negotiations for the Louisiana Purchase Joseph J Ellis guides us through the decisive issues of the nation's founding and illuminates the emerging philosophies shifting alliances and personal and political foibles of our now iconic leaders Washington Jefferson Madison Hamilton and Adams He casts an incisive eye on the founders achievements arguing that the American Revolution was paradoxically an evolution and that part of what made it so extraordinary was the gradual pace at which it occurred He explains how the idea of a strong federal government was eventually embraced by the American people and details the emergence of the two party system which stands as the founders most enduring legacy Ellis is equally incisive about their failures and he makes clear how their inability to abolish slavery and to reach a just settlement with the Native Americans has played an equally important role in shaping our national character With eloquence and insight Ellis strips the mythic veneer of the revolutionary generation to reveal men both human and inspired possessed of both brilliance and blindness American Creation is an audiobook that delineates an era of flawed greatness at a time when understanding our origins is more important than ever

Summary: American Creation Businessnews Publishing, 2017-01-30 The must read summary of Joseph J Ellis's book American Creation Triumphs and Tragedies at the Founding of the Republic This complete summary of American Creation by Joseph J Ellis a previous Pulitzer Prize winner and a renowned American historian outlines Ellis's examination of the founding years of American society It examines six key moments in early American history including the writing of the Declaration of Independence and the founding of the political parties Against the tide he shows that the founding fathers were in fact simply flawed men who shaped American society but failed to deal with problems such as slavery and the treatment of Native Americans Added value of this summary Save time Understand the founding years of American society Expand your knowledge of American society and history To learn more read American Creation and benefit from Ellis's analysis of the main turning points of the United States early history

The Genesis of America Jasper M. Trautsch, 2018-09-13 Explores how foreign policy was used to promote American nationalism by creating external threats in the early republic

The Making of the American Dream, Vol. I Lewis E. Kaplan, 2009 Any history that touts itself as unconventional is bound to raise some hackles when it challenges traditional interpretations of our nation's past Yet history is continually under revision This 2 volume work covering America's first 300 years differs from others in seeking to debunk numerous flattering and conventionally accepted myths Reading between the lines of what we've all been taught as US history the author probes a little deeper into what perhaps was never denied but was never spelled out either Some inconvenient questions emerge Was lust for land the driving force behind e

The Cultural Fabric of the Americas Joshua Hyles, 2018-10-19 This collection of essays includes papers presented at the 21st annual Eugene Scassa Mock OAS Conference an inter collegiate competition and prestigious academic conference focused on inter American political systems

and the politics history and culture of the Americas The volume includes papers on US Mexico and Mexico Spain business relations written by experts from universities in Mexico Organisation of American States intervention in Cuba and Venezuela social histories of Mexico involving women s rights civil rights of immigrants in the American Southwest and the history and nuance of LGBT groups in Mexico quantitative analysis of protest movements in Chile religious history as pertaining to politics in the early United States and a series of three short papers on the importance and legacy of sugar in the Caribbean Written by recognized authorities in their fields and by promising new scholars alike the collection presents a wide assortment of viewpoints and research backgrounds to portray the Americas and its vast and diverse cultural fabric

Transatlantic Literary Exchanges, 1790-1870 Dr Julia M Wright, Dr Kevin Hutchings, 2013-05-28 Exploring the ways in which transatlantic relationships functioned in the nineteenth century to unsettle hierarchical models of gender race and national and cultural differences this collection demonstrates the generative potential of transatlantic studies to loosen demographic frames and challenge conveniently linear histories The contributors take up a rich and varied range of topics including Charlotte Smith s novelistic treatment of the American Revolution The Old Manor House Anna Jameson s counter discursive constructions of gender in a travelogue Felicia Hemans Herman Melville and the Queer Atlantic representations of indigenous religion and shamanism in British Romantic literary discourse the mid nineteenth century transatlantic abolitionist movement the transatlantic adventure novel the exchanges of transatlantic print culture facilitated by the Minerva Press British and Anglo American representations of Niagara Falls and Charles Brockden Brown s intervention in the literature of exploration Taken together the essays underscore the strategic power of the concept of the transatlantic to enable new perspectives on the politics of gender race and cultural difference as manifested in late eighteenth and nineteenth century Britain and North America

The Founding Fathers Reconsidered R. B. Bernstein, 2009-05-05 In a scholarly yet accessible work Bernstein reveals the Founding Fathers not as shining demigods but as imperfect human beings who nevertheless achieved political greatness

Imagining Legality Austin Sarat, 2011-09-12 Imagining Legality Where Law Meets Popular Culture is collection of essays on the

relationship between law and popular culture that posits in addition to the concepts of law in the books and law in action a third concept of law in the image that is of law as it is perceived by the public through the lens of public media Imagining Legality argues that images of law suggested by television and film are as numerous as they are various and that they give rise to a potent and pervasive imaginative life of the law The media s projections of the legal system remind us not only of the way law lives in our imagination but also of the contingencies of our own legal and social arrangements Contributors to Imagining Legality are less interested in the accuracy of the portrayals of law in film and television than in exploring the conditions of law s representation circulation and consumption in those media In the same way that legal scholars have taken on the disciplinary perspectives of history economics sociology anthropology and psychology in relation to the law these writers bring historical sociological and cultural analysis as well as legal theory to aid in the understanding of law and popular culture

Union, Nation, Or Empire David C. Hendrickson, 2009 Shatters the conventional belief that American foreign policy was borne out of a reaction to Pearl Harbor revealing instead a rich history of debates over the direction of American international relations many of which persist to this day
