

The American Dream In the Great Gatsby

4 pages | 942 words

When I was about eight years old, I wanted to be a celebrity singer. In reality, I was an awful singer. But at the time I was infatuated by the idea of the spotlight and the success that intertwines with it. The American Dream and its promise of a better life entrances people of all ages. People all across the country work towards money, fame, love and ultimately happiness. But what if the American Dream is nothing more than simply that- a dream? Jay Gatsby from F. Scott Fitzgerald's *The Great Gatsby* finds himself engrossed with the idea of once again winning the affection of his former lover, Daisy. Norma Desmond from *Sunset Boulevard*, a 50 year old former starlet striving to be 20 again, writes a script that she believes will jumpstart her return to the screen and all her adoring fans. Nothing, other than their biggest desire, will make either of them feel complete. However, it is slowly revealed that their one wish is unattainable. Gatsby discovers that Daisy cannot hold up to the weight of his imagined version of her and that she does not love him in the same, unrelenting way that he loves her. Norma finds that Hollywood has moved on and has already forgotten her legacy. Both characters feel they let their chance of happiness slip through their fingers, and are now grasping at nothing to bring back the past. The American Dream is impossible to achieve, yet Jay Gatsby and Norma Desmond convince themselves otherwise- only to fail miserably. It was not that they did not give enough effort, but rather they were doomed from the start, striving towards a dream that was never accessible in the first place. The unfortunate endings of Jay Gatsby's death and the insanity of Norma Desmond show us that the American Dream is unattainable and nothing more than an intangible mirage. For years, Gatsby dedicated his life to repeating the past and fulfilling his dream of earning Daisy's love again. There was no line Gatsby wasn't willing to cross in order to win over Daisy, a fact that becomes clear once Nick discovered his criminal activity in order to acquire his immense wealth. In Gatsby's eyes, the chemistry he once shared with Daisy could be rekindled- but this time he would have enough money to keep her happy. Gatsby was much like a spider as he weaved a careful web of stories and likely orchestrated many 'chance' events and encounters in order to lure Daisy, his prized fly, towards him. The endless parties and the open invitation were all planned with hopes her attendance. The first time we meet Gatsby we see him stretching his arms out across the water toward a green light that hangs by Daisy's house. This action of reaching towards something that cannot be reached is the perfect symbol for Gatsby's impossible objective, his American Dream. This green light is what gives Gatsby purpose in life, but this purpose eventually becomes an obsession. Gatsby puts Daisy up on a pedestal and she eventually becomes a goddess-like being to him. Imagined qualities of her...

American Dream Gatsby Essay

American Dream Gatsby Essay:

New Essays on The Great Gatsby Matthew Joseph Bruccoli, 1985-10-31 Provides students of American Literature with introductory critical guides to the great works of American fiction How to Write a Killer Essay: The Great Gatsby Becky Czapinski, 2023-09-24 Are you struggling with an essay assignment for F Scott Fitzgerald's *The Great Gatsby*? This guide will provide you with all the tools you need to understand and write about this novel with context information, critical theory, overviews, close reading instruction, creative writing tasks, essay topics, plot summary and analysis, and basic essay writing strategies. This guide is designed to help you understand the novel and write a killer essay. *Richard Yates and the Flawed American Dream* Jennifer Daly, 2017-09-12 Richard Yates (1926-1992) has been described as a writer's writer but has never received the critical attention befitting that designation. Firmly rooted in the zeitgeist of the 1950s, his work remains startlingly relevant, addressing themes of American identity, the nature of marriage and relationships between men and women, and what it means to get ahead in a society entranced by a flawed American Dream. This collection of new essays is the first to focus on this underappreciated author. It opens up his body of work for a new generation of readers and positions Yates as a writer of significance in the American tradition. American Dreams Ricardo Miguez, 2009-03-26 The scholars included in this collection sought to indicate more contemporary working definitions for the expression American Dream or rather Dreams. The multidisciplinary selections come from many countries and represent scholars from different backgrounds. They reflect the current developments and approaches in the field of US Studies, and we hope to help broaden the scope of programs in higher education institutions. The chapters are thematically organized in two sections: Initial Dialogues and Comparative Dialogues. The first one comprises essays that set the foundations for our discussions and intends to familiarize newcomers with the theme. The second section extends the possibilities of working comparatively with the American Dreams and a number of other interdisciplinary fields of interest for US Studies programs. *The American Dream in "The Great Gatsby". Wreck of Illusions* Nadiia Kudriashova, 2019-04-10 Essay from the year 2019 in the subject American Studies Literature Southern Connecticut State University language English abstract The main originality of Fitzgerald's oeuvre lies in the fact that the American writer was a representative of the Jazz age. Fitzgerald not only described an entire era, fixing it in various literary works, but he himself became its cultural hero. He showed the ambiguity of the American dream phenomenon. The novel *The Great Gatsby* shows that pursuit of American dream, forgetting about its original foundations, about moral values, and even one's own personality leads to moral degradation, frustration, and the destruction of false illusions. **The Road as the Decay of the American Dream in Fitzgerald's "The Great Gatsby"** Sophie Bertrand, 2012-02-02 Essay from the year 2011 in the subject English Language and Literature Studies Literature grade 15-5 University of Avignon Faculté de philosophie arts et lettres course English Literature In Depth Study Of A Theme language English abstract Francis Scott Fitzgerald's *The Great Gatsby* was published in New York in 1925. Those years in America, the 1920s, are often considered as

the Roaring Twenties a decade of great social change a decade of jazz an age of success and American Dream an age of everything The American Dream is often described as the aspiration of young Americans to live better than their parents without war poverty and misfortune but with love wealth and happiness In fact after World War I many Americans wished to return to the peaceful time they had before the war During the 1920s Americans focused on building economic prosperity and most people focused on the present with little concern for the future life became easier and more enjoyable Unfortunately this age of prosperity complete independence self reliance and opportunity quickly became an age of downfall in order to pursue this utopia people were asked to work harder In consequence they could not prosper themselves but only endured Fitzgerald condemns this American society of the 1920s that has lost its pursuit of progress for happiness to finally become purely materialistic and corrupt In this essay I will deal with the road from the Midwest to New York City and the road from West Egg to East Egg both exemplifying the decay of the American Dream personified by the characters of Jay Gatsby and Nick Carraway as there is a strong relationship in the novel between the geography of the roads and the characters social values On the one hand is the journey of Nick Carraway coming from the Midwest and going to New York City where he discovers corruption and immorality On the other hand we find the road Jay Gatsby is following to be accepted among the wealthiest and to be loved by Daisy This road from West Egg to East Egg represents the movement from solemnity and honesty to obsession of class and privilege I wish to show that these two roads epitomize the decay of the American Dream through two main characters of the novel and in two different ways that we will discover in this essay the two roads or journeys that are followed by these two characters start from a point of moral prosperity to move them towards a state of moral decay Gatsby more profoundly than the Nick This essay will be twofold the first part will concern the road from West Egg to East Egg that Jay Gatsby follows while the second part will deal with the road of Nick Carraway the road from the Midwest to New York City

The Road As the Decay of the American Dream in Fitzgerald's the Great Gatsby Sophie Bertrand, 2012-02 Essay from the year 2011 in the subject English Language and Literature Studies Literature grade 15 5 University of Avignon Facult de philosophie arts et lettres course English Literature In Depth Study Of A Theme language English abstract Francis Scott Fitzgerald s The Great Gatsby was published in New York in 1925 Those years in America the 1920s are often considered as the Roaring Twenties a decade of great social change a decade of jazz an age of success and American Dream an age of everything The American Dream is often described as the aspiration of young Americans to live better than their parents without war poverty and misfortune but with love wealth and happiness In fact after World War I many Americans wished to return to the peaceful time they had before the war During the 1920s Americans focused on building economic prosperity and most people focused on the present with little concern for the future life became easier and more enjoyable Unfortunately this age of prosperity complete independence self reliance and opportunity quickly became an age of downfall in order to pursue this utopia people were asked to work harder In consequence they could not prosper

themselves but only endured Fitzgerald condemns this American society of the 1920s that has lost its pursuit of progress for happiness to finally become purely materialistic and corrupt In this essay I will deal with the road from the Midwest to New York City and the road from West Egg to East Egg both exemplifying the decay of the American Dream personified by the characters of Jay Gatsby and Nick Carraway as there is a strong relationship in the novel between the geography of the roads and the characters social values On the one hand is the journey of Nick Carraway coming from the Midwest and going to New York City where he discovers corruption and immorality On the other hand we find the road Jay Gatsby is following to be accepted among the wealthie

Fitzgerald and the War Between the Sexes Scott Donaldson,2022-11-01 Written by the preeminent Fitzgerald biographer and literary critic Scott Donaldson this book presents a fresh insightful exploration of the war between the sexes in F Scott Fitzgerald s fictional and autobiographical writings The volume opens with a close reading of *Tender Is the Night* in which Donaldson argues that the key theme of the novel is warfare the struggle between the sexes for dominance in a marriage or relationship Other essays expand on this theme examining Fitzgerald s assessment of love and the American dream in *The Great Gatsby* Zelda Fitzgerald s alleged affair with the French aviator Edouard Jozan the writer s relationship with his fellow author Dorothy Parker and Fitzgerald s autobiographical writings in which he recounts his fast extravagant life during the Jazz Age Engagingly written and based on a deep understanding of Fitzgerald s life and career Fitzgerald and the War Between the Sexes will inform and influence fans and students of Fitzgerald s work for many years to come

I've Got A Test On The Great Gatsby I've Got A Test On Press,2025-04-17 Stressed about your upcoming test on *The Great Gatsby* Don t worry you ve got this Whether you ve read the book or just skimmed it this fast focused and student friendly guide will walk you through everything you need to know to feel confident and ready on exam day Inside this guide you ll find Clear and concise chapter summaries so you can review all the key moments and plot twists at a glance Detailed character breakdowns to help you understand who s who and why they matter Major themes and symbols explained in plain English Common test questions with smart sample answers to help you prep like a pro Essay starters and writing tips to give your paper a strong foundation Whether you re cramming the night before or reviewing throughout the semester this guide is designed to help you study smarter not harder It s everything you need no fluff no filler just the essential stuff to help you ace your exam

Sixteen Modern American Authors Jackson R. Bryer,1990 Praise for the earlier edition Students of modern American literature have for some years turned to *Fifteen Modern American Authors* 1969 as an indispensable guide to significant scholarship and criticism about twentieth century American writers In its new form *Sixteenth Modern American Authors* it will continue to be indispensable If it is not a desk book for all Americanists it is a book to be kept in the forefront of the bibliographical compartment of their brains American Studies
