

Phases of the Moon WebQuest Worksheet

As you explore the phases of the moon, you will learn to identify, understand, and explain the different phases of the moon. You will also learn how the moon's position in the sky changes over time and how this affects the phases of the moon.

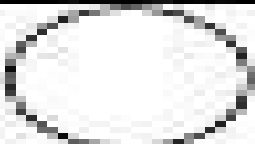

After completing this WebQuest, you will be able to identify the different phases of the moon and explain how they are caused.

You will also be able to explain the different phases of the moon and how they are caused. **All answers are in the "Answer Key" section of this worksheet.** (This key is provided for your reference only.)

Task One

What is the moon's phase?

Observe the moon's position in the sky and the amount of light it reflects. **Write the phase of the moon in the space below.** (You may use a diagram of the moon's phases to help you.)

Answer:

You have completed the first task. Now, you will learn how the moon's position in the sky changes over time.
