Social Media and Language Learning Yeong-Ju Lee, 2025-08-22 This book explores creative uses of social media for informal language learning It focuses on the underexplored area of how informal language learning adapts to technological innovations in two multimodal media sharing platforms TikTok and Instagram Drawing on ecological perspectives of language learning and spatial understandings of digital technology and learning the research reported in this book unpacks how social media technologies are used for language learning It presents insights from a dual level qualitative methodological design a comparative study of public online data of social media posts collected from TikTok and Instagram and a multiple case study based on ethnographic narrative data gathered from participants journal entries stimulated recall interviews and social media posts This book reveals the dynamic landscape of digital language learning that is being integrated into learners everyday lives through multimodal content creation and networking This book enriches readers understanding of social media s role in language learning and offers pedagogical strategies for teachers to integrate newer technologies and multimodal materials into language classrooms to enhance students learning experiences

Designing Effective Language Learning Materials for Less Commonly Taught Languages Öner Özçelik, Amber Kennedy Kent, 2023-08-01 A step by step guide to designing materials for learning world languages from expert instructional designers Many teachers of less commonly taught languages or LCTLs find themselves in the position of needing access to quality language teaching and learning materials where none exist or where those that do are extremely outdated Designing Effective Language Learning Materials for Less Commonly Taught Languages is a concise guide for language instructors or anyone with an interest in developing language learning materials While leading instructors through the development process using the ADDIE model of instructional design Analysis Design Development Implementation Evaluation z elik and Kent present examples from many different languages provide reflection questions for readers to consider at the end of each chapter and give concrete strategies and tips throughout the process Readers will come away from the book with a more comprehensive understanding of how to develop materials for world language learning in general and LCTL learning in particular and a clear roadmap for doing so Simply written and free of overly complicated jargon or rhetoric Designing Effective Language Learning Materials for Less Commonly Taught Languages will be an invaluable reference for novice and experienced instructors alike as well as directors of language programs

Increasing Naturalness in the Language Learning Classroom Szilvia Szita, 2024-07-31 This volume links corpus research to classroom practice and critically assesses how the integration of a corpus informed methodology affects pedagogical choices teaching materials and classroom activities Focusing on the language classroom and drawing on examples from English French German and Hungarian this book demonstrates that such

methodology is applicable to languages with very different properties Drawing on both larger general and smaller more specialised corpora including both spoken and written data this volume presents the key features of natural language according to corpus linguistics establishing principles and methods to observe and practice natural sounding language use suggests the characteristics of a coherent corpus informed methodology and contrasts this with existing methodologies explores ways in which this methodology can enhance language learning and discusses the types of activities that are most effective explains how this methodology be integrated into teacher training Bridging the long persisting gap between corpus informed language teaching research and applied classroom reform this book is key reading for researchers in applied linguistics and language pedagogy as well as teacher trainers and practitioners

The Routledge Handbook of the Sociopolitical Context of Language Learning Weixiao Wei, Der-lin Chao, 2025-03-11 The Routledge Handbook of the Sociopolitical Context of Language Learning is a compelling examination of how language education must adapt to our rapidly changing world This book explores the need for a fresh perspective on language learning moving beyond traditional methods to address the complexities of today s global landscape It delves into the impact of geopolitical shifts cultural exchanges and social justice issues on language education The book offers a blend of theoretical insights and practical approaches highlighting how language learning intersects with global politics and cultural diversity It examines case studies from various countries including Ukraine and Oman to reveal how language policies and practices are evolving in response to contemporary challenges By integrating themes of identity equity and intercultural understanding the book presents groundbreaking content that pushes for more inclusive and effective language education Ideal for educators policymakers and anyone interested in the future of language learning this book provides valuable perspectives on how to rethink and redesign language education to better serve a diverse and interconnected world It offers practical strategies and thought provoking analyses making it an essential resource for navigating the complexities of modern language teaching and learning
