Undoubtedly the Internet has become a powerful medium of communication and is regarded as a limitless resource by professionals and researchers in many areas. *Manual of Language Acquisition* Christiane Fäcke, 2014-08-25

This manual contains overviews on language acquisition and distinguishes between first and second language acquisition. It also deals with Romance languages as foreign languages in the world and with language acquisition in some countries of the Romance speaking world. This reference work will be helpful for researchers, students and teachers interested in language acquisition in general and in Romance languages in particular. **Language Learning Online: Towards Best Practice**

Uschi Felix, 2003-01-01. This important and accessible book identifies the key elements in the quest for best practice in online language teaching. The authors are all international experts who have made significant contributions to the debate about how to exploit the new technologies. It considers online language teaching from three crucial perspectives: design, tools and pedagogy. Their recommendations are such that they can actually be realised in spite of the limitations of today's educational environments. The book demonstrates that the new technologies offer far greater potential for authentic encounters and constructivist learning than even the best classroom simulations. That automated exercise and feedback structures can be individualised and meaningful and that if we have to teach fully by distance these ventures no longer need to represent impoverished versions of live classes but can engender a strong sense of community. To achieve this we need to understand what elements constitute good design both in technical and pedagogical terms, to think seriously about providing the best feedback possible and to have the courage to take the risks associated with letting go of traditional learner-teacher relationships. **GRADE BOOSTER ICSE QUESTION BANK ENGLISH LANGUAGE Class 10** Sukhmanjot K., 2025-08-13

The Grade Booster ICSE Question Bank for Class 10 English Language is designed to help students maximise their scores by combining targeted chapter-wise practice, full-length mock tests and previous year papers. A focused preparation strategy involves starting with chapter-wise exercises to build a strong foundation, moving to timed mock papers for exam readiness and revisiting weak areas through repeated targeted practice. This blend of resources and techniques ensures comprehensive coverage of the syllabus, improved presentation skills and higher confidence to score top marks in English Language Paper I.
