Cellular and Biochemical Mechanisms of Obesity Paramjit S. Tappia, Bram Ramjiawan, Naranjan S. Dhalla, 2021-12-15 Global health has been challenged with the dawning of the era of the obesity epidemic and thus as a consequence strategies to reduce obesity have become public health priorities According to the United Nations obesity has been identified as a concern for achieving Sustainable Development Goals Obesity is a serious health problem with an increased risk of several common diseases including diabetes cardiovascular disease and cancer Although the fundamental cause of obesity and overweight is an imbalance between calorie intake and calorie expenditure the underlying biochemical and metabolic processes that cause obesity are not fully understood Two earlier volumes dedicated to the subject of obesity published in the series Advances in Biochemistry in Health and Disease focused on the pathophysiology of obesity induced health complications and the biochemistry of cardiovascular dysfunction in obesity This book brings together contributions from international experts in the field to describe advancements on the mechanisms

leading to development of obesity and related complications There are 21 chapters in two different parts in this book comprising of Part I Pathophysiologic Mechanisms of Obesity 11 chapters and Part II Therapeutic Mechanisms of Obesity 10 chapters This book will serve as a resource and be of interest to health professionals medical students fellows residents and graduate students It will also evoke innovative research and effective approaches for the prevention of obesity This volume will accentuate that obesity is a major health hazard in its own right and that appropriate public health measures should be implemented to prevent or reduce or even reverse the impact of this global chronic disease **Sleep and its Disorders**

Allan I. Pack, Qing Yun Li, 2022-08-22 The aim of this book is to provide health care professionals with an overview of the main aspects of recent advances in sleep medicine with an emphasis on advancing basic science into clinical medicine It is divided into three main parts The first part is to cover the basic sleep mechanisms which includes genetics in sleep and neural and humoral regulation of sleep and wakefulness The second part focuses on the epidemiology of sleep and the final part consists of the pathophysiological mechanisms of snoring and sleep apnea and other common sleep disorders as well as the consequences The content of this book is written by experts and sleep specialists from all over the world and this book aims to optimize the health of individuals by translating bench side findings into clinical practice Space, Planning and Everyday Contestations in Delhi Surajit Chakravarty, Rohit Negi, 2016-04-04 This insightful volume examines the politics and contestations around urban space in India's national capital Delhi Moving beyond spectacular megaprojects and sites of consumption this book engages with ordinary space and everyday life Sites and communities analysed in this volume reveal the processes relations and logics through which the city's grand plans are executed The contributors argue that urbanization is negotiated and muddled particularly in the spaces occupied by informal labour resettled communities and small scale investors The critical analyses in this volume shed light on the disjunctures between planning and ideology narratives of growth and realities of immobility and facades of modernity and the spaces and practices produced in its pursuit The book is organized in four parts I Dis locating Bodies II Claims at the Urban Frontier III Informalization and Investment and IV Gendered Mobility The studies report current empirical work from a variety of sites investigating the dynamics of capital investment state planning and citizen response in these spaces These studies set in ordinary spaces in Delhi reveal a subliminal disarray of thought and action stemming from the impetus to make the city attractive to capital while having to manage marginality and reorganize welfare functions The volume provides fresh insights into the nature of urban planning and governance in an Indian megacity two decades after the neoliberal shift Ebook: The Science of Psychology: An Appreciative View King, 2016-09-16 Ebook The Science of Psychology An Appreciative View
