Straight Ahead, as Usual Logan Patrick Harrison,2010-01-07 This book is about the outmoded educational model in which American children all across the United States continue to be educated with and why this educational model is crippling the middle class and slowly putting America behind other emerging economies Many of the ideas are not novel nor does this book claim them to be It is a portrayal however of how long many of these ideas have been on the table have proven to have been effective but have been killed in legislatures in many of the states and at the federal level Although it is highly critical of the current education model and the many factions that breathe life into its perpetual existence this book offers insight into why it is so imperative that citizens begin to become education consumers rather than just bystanders doing what they're told Finally it offers some practical advice on how to organize how to align incentives for citizens to become more engaged in this area and policy initiatives in which citizens should begin to strongly back at their local legislatures and at the federal level

Thicker than Water Rett MacPherson,2025-09-23 When genealogist Torie O Shea returns home to New Kassell Missouri from a vacation in Minnesota she finds two surprises first her mother in law is coming to town and second her mentor and boss Sylvia has finally passed away at the age of 102 Grief stricken and further distressed by her mother in law's unannounced visit Torie is dumbstruck when she learns that Sylvia has left all of her worldly possessions to Torie including the Gaheimer House which houses the local historical society With gigantic boxes of artifacts and paperwork dating back to the 1920's to sort through Torie is quite overwhelmed But cleaning out Sylvia's things she finds something strange an old postcard from the late twenties addressed to Sylvia with a photograph of a little girl on the front and an ominous message on the back Torie quickly becomes determined to uncover the truth behind the mysterious photograph Who is the little girl And where was the photograph taken Unable to make sense of her discovery Torie's suspicions deepen when she learns that Sylvia hired a private detective and installed a security system just prior to her death Was Sylvia's death natural or intentional As Torie resolves to find out the truth she learns that some of the people in her town are not necessarily what they seem to be and it becomes clear that somebody wants her silenced Filled with the intricate stories and engaging characters that have come to characterize her mysteries once again Rett MacPherson delivers a fascinating story that promises to delight fans and newcomers alike

"Have You Heard the One About..." Nelson Onit Vazquez,2005-01-18 A poet who has everyone smiling should write more than just poetry And so in order to keep

everyone in stitches he wrote a joke book with a thousand and one laughs Unlike Vazquez tells previous books TRUTH COMEDY POETRY for ALL and THE V FILES The Truth Is In Here which are filled with mostly poetry the author wanted to collect and share all of his favorite jokes from all categories and place them under one cover No matter what the subject he has covered it and although most of the great joke tellers will know a good amount of them there will be enough to still shock and crack up even the most knowledgeable of joke tellers This will most definitely be yet another favorite amongst his fans or just the perfect addition to any other collection of joke books From the doings of Little Halis who is full of malice to the misadventures in religion HAVE YOU HEARD THE ONE ABOUT will keep you and your friends in stitches This is the perfect book to take anywhere to break the ice at parties or bars No matter what the situation there will be a joke that you can share with just about anyone And as is that wasn't enough then there's a second bonus chapter of poetry that continues where his previous comic poetry left off Everything from the return of fan favorites Nels Vulger Lana Dully and Don Tortelli to another set of dating mishaps are offered in this fantastically verbally illustrated book In HAVE YOU HEARD THE ONE ABOUT you will find the best of his cynic humor dark thoughts and absolutely the best collection of jokes you will ever read And as if that wasn't enough Vazquez tell And to top put a cherry on top of that whole sundae of comedy Vazquez tell also added a second bonus chapter of the best literal finds of the internet The World Wide Web is an incredible collection of bumper stickers sayings pick up lines zany lists and much much more that will have you bursting into laughter
