The Hidden Academic Curriculum and Inequality in Early Education Karen Phelan Kozlowski,2021-12-28 Drawing on a rich ethnographic study conducted in first grade classrooms in the US this book reveals the potentially invisible yet significant ways that race and social class impact student success in the earliest years of their schooling The Hidden Academic Curriculum and Inequality in Early Education How Class Race Teacher Interactions and Friendship Influence

Student Success explores key differences observed between the classroom interactions and academic behaviors of racially socially and ethnically diverse first grade students Chapters offer in depth analysis of the ways in which classed and racialized coaching by families differentiated teacher student interactions and racially segregated friendships play out in the school environment and ultimately influence a child s ability to decode the academic hidden curriculum This in turn dictates a child s understanding and ability to perform the specific skills associated with academic success Ultimately the text highlights the critical need for improved understanding of how in and out of school factors impact child behaviors and offers key recommendations to prevent the perpetuation of racial and socioeconomic inequalities in schools and classrooms This insightful volume will be of particular interest to postgraduate students researchers and academics in the fields of Early Childhood Education and the Sociology of Education Those with a focus on racial ethnic and social inequalities more broadly will also find the book of interest
