

LESSON 2

Read the following selection to get the general meaning. Read it a second time, paying special attention to the words in dark type. Notice how they are used

From **The Sign of the Beaver** by Elizabeth George Speare

Hour after hour, with his bow, Matt tramped through the forest, the dog beside him. There was not much game to hunt these days. More often than not, his snares were empty. Soon the animals would be buried deep in burrows. Twice he had glimpsed a caribou moving through the trees, but he had little hope of bringing down any large animal with his light arrows. Once in a long while he succeeded in shooting a duck or a muskrat. The squirrels were too quick for him. Although the dog was certainly not much of a hunter, he did **occasionally** track down some small creature. But he also had to eat his share, sometimes more than his share, because Matt could not **resist** those beseeching eyes. Truth to tell, they were both hungry much of the time.

Luckily, they would not starve with the pond and creeks **teeming** with fish. Matt knew that for many months of the year fish filled the Indian cookpots. Luckily too, fish were easy to catch, though Matt had to be continually

in sentences. These are Master Words. These are the words you will be working with in this lesson.

twisting and **splicing** new lines from vines and spruce roots. Mornings, now, he had to shatter a skim of ice on the pond. Soon he would have to cut holes with his axe and let his lines down deep. He shivered to think of it.

It was the cold that bothered him most. His homespun jacket was still **sound**, since he had had little use for it in the warm weather. But his **breeches** were **threadbare**. One knee showed naked through a **gaping** hole, and the frayed legs stopped a good five inches above his ankles. His linen shirt was thin as a page of his father's Bible, and so small for him that it threatened to split every time he moved. Even inside the cabin he was scarcely warm enough. The moment he ventured outside his teeth chattered. He thought **enviously** of the Indians' deerskin leggings. But a deer was far beyond his **prowess** as a hunter.

EXERCISE 1

that you are less sure about. Draw a square around the words you don't recognize.

God'S Perfect Timing Dr. David Caruth,2011-09-21 Gods Perfect Timing Breaking the Cycle of Poverty with Education and Faith is about how important events in our lives happen according to Gods timing not our own Come with me on a spiritual journey through poverty child abuse and my struggle to overcome dyslexia through special education I share a chilling account of how I survived being struck by lightning at football practice at the beginning of my senior year of high school After my dream of becoming a professional athlete got shattered I survived on the streets with dangerous criminals Can you make lightning appear and cause it to strike as you direct Job 38 35 Lucky to Be Alive For on August 18 Caruth was standing in the defensive backfield during Coronados football practice when an incredible event knocked him right off the football field and literally into medical journals Dressed in full football gear Caruth was struck by on the head by a bold of lightning The bolt burned through protective padding in the helmet at the point where a metal screw was fixed blacked the neck of his jersey singed his pants and left his socks looking as though theyd been treated with a blowtorch C W Nevius Forward By Reverend Alfonso Wyatt I spent my career as an educator youth developer advocate counselor role model and minister transforming the lives of countless young people caught in tumultuous life circumstances beyond their control or choosing The aforementioned perspective allows me to understand and appreciate the profound power contained in Gods Perfect Timing Breaking The Cycle of Poverty with Education and Faith by Dr David D Caruth Brother Caruth unapologetically takes readers into his world and lays bare horrific childhood events namely physical sexual abuse hunger deprivation physical emotional challenges as well as the need for special education If this were not enough David as a promising high school football player with dreams of turning pro was struck by lightning while on the practice field100 players were leveled by the bolt David was the only one that did not get up The story could have ended right there with yet another African American child failing to thrive doomed to living in the now all too familiar clutch of poverty crime drugs gangs incarceration nihilism and neglector dying too soon The seeds of failure were clearly sown into the life and psyche of

the author Yet the reader will discover that in the midst of seemingly insurmountable odds David is able to change the odds This social miracle was accomplished by seeds planted by Davids mother namely the seed of faith revealed in the telling of biblical stories like David and Goliath a Divine metaphor if you will This book shows educators faith leaders policy makers parents young people and yes even the naysayer how the cycle of poverty perpetuated by low self esteem academic indifference victim thinking blaming and dysfunctional family life can be broken once and for all So beloved come on the arduous and ultimately triumphant journey of David D Caruths lifetime If you accept this invitation please be open to the reality that the same power that found a young boy at his most vulnerable time the same power that snatched him from the sure grip of death the same power that helped him overcome staggering life obstacles and receive a terminal degree is the same power that can change the lives of readersnow that Gods Perfect Timing is in full effect The Reverend Alfonso Wyatt has four decades of experience developing young people as well as working with public private community based youth serving organizations and the faith community involved in the same effort Reverend Wyatt a D Min candidate at New York Theological Seminary is an ordained Elder on the ministerial staff of The Greater Allen Cathedral of New York and he and his wife are co authors of Soul Be Free Poems Prose Prayers Preface Gods Perfect Timing Breaking the Cycle of Poverty with Education and Faith is about how important events in our lives happen according to Gods timing not our own Come with me on a spiritual journey through poverty child abuse and my struggle to overcome a learning disability through special education I share a chilling account of how I survived being struck by lightning at football practice at the beginning of my senior year of high school After my dream of becoming a professional athlete got shattered I survived on the streets with dangerous criminals Throughout my life my mom Zelna A Caruth was my primary source of strength She was raised in Chicago and overcame more adversity in her life than anyone I knew Her father died in a fire when she was 4 years old and her mother passed away when she was 12 As the oldest of four siblings with two younger sisters and a baby brother she called Bugs her childhood ended at a very early age She was also my most important teacher and source of strength She taught me not to criticize or judge others until I walked a mile in their moccasins I understood her lessons because I had seven older brothers and sisters and one younger sister and my own shoes had cutout cardboard for bottoms Like a sponge I absorbed as much of my moms wisdom as I could She taught me about the Bible and to believe that God works in mysterious ways She let me know early on in life that man would let me down and that I needed to put my faith and trust in the Lord If I trusted in the Lord she would say and not worry so much about what other people had only then would I begin to see the miracles that God was performing in my own life She was right of course When I look at my own life there are numerous times too many to count when my life could have and probably should have ended and God made a miracle happen to keep me going I also learned that not all miracles are pleasant Unpleasant miracles are difficult for most of us to grasp We find it difficult to understand why a loving God would not only allow but cause unpleasant events to happen in our lives I questioned

my mom about why bad things happened to good people and good things happened to bad people My moms answer was that God allowed Jesus to die on the cross only to raise him from the dead to glorify his own power She left it to me to figure out the meaning of her words For most of us those with children anyway we find it difficult to imagine allowing our child to be crucified so that the world could bear witness to our power God help us if our children get injured on fields of play If our children get hurt our hearts fill with pain and sadness and we want the world to see us rush to comfort them We grow up learning that people who love us should protect us from unpleasant events that occur daily in our own lives In our house my brothers and sisters seldom felt protected What we felt on most days was hunger jealousy misery envy and multiple kinds of abuse I wrote this book because I believe that in spite of the challenges we face and endure day after day miracles happen every day of our lives however most of the time we dont recognize them when we see them After reading this book my hope is that you will begin to see how God works through people to influence the lives of other people You will learn how to recognize Gods Perfect Timing in your own life and to take action when the time is right If God can bring me through poverty child abuse and special education back from death and homelessness to earning a PhD buying several homes for my family and sending my children to private school then you too should be able to have faith that God has a design on your life and has already blessed you with miracle after miracle
