 Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily

 recorded in *The Debates and Proceedings in the Congress of the United States* 1789-1824, the *Register of Debates in*

 Mello, 2013-08-15 Some social movements bring in quick radical political and social changes while others get incorporated  
 into existing systems or subjected to harsh repression. This book examines why social movements elicit different policy  
 responses and their varying impact on the societies in which they occur. It also seeks to understand why seemingly  
 inconsequential movements can nonetheless have enduring effects. These issues are explored through the comparative  
 historical analysis of four labor movements: in the UK and the US in the late 1800s/early 1900s; in Japan from 1945 to 1960;  
 and in Turkey during the mid to late 1900s, which is the book's primary case study. Turkey's labor movement, although often  
 seen as a failure, greatly influenced state-society relations and contemporary Turkish politics. This significant study offers a  
 new framework of analysis by focusing on social movement impacts rather than successes or failures. This leads to having to  
 reconsider the enduring effects of repressed or failed movements. By doing so, it will help researchers study the likely impact  
 of social movements in today's politics. *Leader's Guide for Primary Source Readings in Catholic Church History* Michael

 Luther, Saint Theresa of Avila, Saint Francis, Junipero Serra, Dorothy Day, Second Vatican Council. The teaching manual for
