Axmedis 2008 Jaime Delgado,Paolo Nesi,2008 The present book covers topics both on fluvial and lagoon morphodynamics The first part is dedicated to tidal environments Topics include an overview of main morphological features and mechanisms of estuaries and tidal channels and a model devoted to investigate flow field pattern and bed topography in tidal meandering channels and a comparison with recent observational evidence of meanders within different tidal environments The general failure of Bagnold hypothesis when applied to equilibrium bedload transport at even relatively modest transverse slope is demonstrated A new model is then proposed based on an empirical entrainment formulation of bed grains

Designing the Networked Organization Ken Everett,2011-08-05 This book explores how naturally connected organizations NCOs can survive and thrive in an increasingly unpredictable world using the principles of natural connectivity organic growth and collaboration It shows how naturally connected organizations are resilient through cycles of boom and bust The book argues that the success of these organizations is in their design and that they are the organizations of the 21st century They demonstrate that a natural way of running a global business can work This book builds

on earlier work on networks and contributes to the Organizational Design field of management study Naturally connected organizations are associations of companies and or individuals which function via collaboration communication and connectivity for a shared purpose NCOs use organic organizing principles rather than control mechanisms Traditional organizations embrace mechanical metaphors the results of which are engineered or re engineered organizations based on command and control NCOs are based on natural organic metaphors *American Book Publishing Record* ,2004 **Smart Cities Policies and Financing** John R. Vacca,2022-01-19 Smart Cities Policies and Financing Approaches and Solutions is the definitive professional reference for harnessing the full potential of policy making and financial planning in smart cities It covers the effective tools for capturing the dynamic relations between people policies financing and environments and where they are most often useful and effective for all relevant stakeholders The book examines the key role of science technology and innovation STI especially in information and communications technologies in the design development and management of smart cities policies and financing It identifies the problems and offers practical solutions in implementation of smart infrastructure policies and financing Smart Cities Policies and Financing is also about how the implementation of smart infrastructure projects related to the challenges of the lack of financing and the application of suitable policies underlines the key roles of science technology and innovation STI communities in addressing these challenges and provides key policies and financing that will help guide the design and development of smart cities Brings together experts from academia government and industry to offer state of the art solutions for improving the lives of billions of people in cities around the globe Creates awareness among governments of the various policy tools available such as output based contracting public private partnerships procurement policies long term contracting and targeted research funds in order to promote smart infrastructure implementation and encouraging the use of such tools to shape markets for smart infrastructure and correct market failures Ensures the inclusiveness of smart city projects by adequately addressing the special needs of marginalized sections of society including the elderly persons with disabilities and inhabitants of informal settlements and informal sectors Ensures gender considerations in the design of smart cities and infrastructure through the use of data generated by smart systems to make cities safer and more responsive to the needs of women Demonstrate practical implementation through real life case studies Enhances reader comprehension using learning aids such as hands on exercises checklists chapter summaries review questions and an extensive appendix of additional resources **Resources in Education** ,1997
