tool offers more review content and questions than any other massage certification review. It gives you the practice and study tools you need for the NCE and MPLEx certification exams, state exams, and even mid term or final exams. With complete coverage of the information you need to know to study more effectively and take tests more successfully, it helps you memorize terms, definitions, and key facts, all with an emphasis on critical thinking skills, a key part of any licensure or certification exam. This title includes additional digital media when purchased in print format. For this digital book edition, media content is not included. More than 1,300 review questions include the two types of questions on the NCE: factual recall and comprehension. Content review includes a detailed review of body systems and their applications to massage. A new five step review process lets you identify areas that need more attention as you study and prepare. Tips for studying and test taking, what to memorize, how to apply concepts, and think critically, help you hone test taking skills better than ever before. A full color design features 100 new illustrations showing massage techniques and Anatomy Physiology.

**Illustrated Study Guide for the NCLEX-RN® Exam** 8th Edition, JoAnn Zerwekh, 2012-11-13. It's a fun visual review for the NCLEX. The Illustrated Study Guide for the NCLEX RN Exam 8th Edition covers all the nursing concepts and content found on the latest NCLEX RN examination. A concise outline format makes studying easier, and 2,300 NCLEX exam style review questions, including alternate item formats, are included to test your knowledge at the end of each chapter and on the Evolve companion website. Written by NCLEX expert JoAnn Zerwekh, this study guide uses colorful illustrations and mnemonic cartoons to help you remember key concepts for the NCLEX RN exam. UNIQUE Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. UNIQUE The integrated systems approach incorporates pediatric, adult, and older adult lifespan considerations in each body system chapter. UNIQUE Appendixes for each chapter summarize medications and nursing procedures for quick reference. Electronic alternate item format questions on Evolve prepare you for the interactive question types on the computerized NCLEX examination, including priority, drag and drop, and hot spot. Illustrated point and click questions. Practice questions on the Evolve companion website are available in both study and quiz modes and separated by content area, allowing you to create a customized review experience based on your personal study needs. Answers and rationales for all review questions show why correct answers are right and incorrect options are wrong. NEW 2,300 review questions are now included on the Evolve companion website. Two NEW alternate item question types are added: graphic options and questions incorporating audio. UPDATED content reflects the latest NCLEX RN test plan and incorporated important clinical updates. NEW Page references to an Elsevier textbook are provided with each question for further study and self remediation. NEW Disorder names are highlighted in color in the index for quick reference. EXPANDED coverage of management of care reflects the increased percentage of this content on the NCLEX RN test plan.
