Politically Incorrect Guide to Catholicism John Zmirak, 2016-09-26 A book to challenge the status quo spark a debate and get people talking about the issues and questions we face as a country

What God Has Joined Together Robert H. Vasoli, 1998-04-16 The recent controversy over Joe Kennedy s annulment gave only a glimpse of American Catholicism s open secret that contrary to official Catholic doctrine American churches grant annulments wholesale freely declaring marriages nonexistent so that one or both partners can remarry in the church The United States is home to only 6% of the world s Catholics Robert Vasoli points out but it now accounts for 75% of all Church annulments two thirds of which are granted on ostensibly psychological grounds The real scandal though is not simply the numbers but that Church marriage courts annul thousands of marriages that are actually valid according to Catholic teaching Drawing on considerable research the author details precisely how these courts let divorced Catholics and many non Catholics as well bypass Catholic teaching and law He shows for instance how they often help petitioners manufacture grounds for annulment

which are justified with specious psychological reasoning that are counter to the letter and spirit of canon law Indeed it may even be alleged that lack of emotional maturity at the time of the wedding can invalidate marriages that have lasted 30 years The result has been a tidal wave in 1968 the American church granted fewer than 600 annulments today it hands out more than 60 000 a year But Rome has not smiled on the performance of U S tribunals of those psychological annulments appealed to the Roman Rota the Vatican s highest marriage tribunal more than 90% are overturned This revealing look at annulment weaves painstaking analysis with a wealth of evidence as it illuminates the degree to which the U S Church has gone its own way since Vatican II on what constitutes valid marriage What Binds Marriage Timothy Buckley,2002-01-07 From apostolic times the Church has wrestled with the dilemma of how to defend its belief in the sanctity and permanence of marriage while at the same time ministering the love and compassion of Christ to those traumatised by the experience of marital breakdown Timothy Buckley is a Redemptorist priest who produced a report for the Catholic bishops of England and Wales on the pastoral situation among priests and people argues that the theology of the bond of marriage is responsible for an impasse which often limits the Church s official solutions to the granting of annulments By tracing the history of the teaching on the bond he concludes that the present discipline is based on disputable theology and he proposes a way forward An enlightened sound and original look at marriage today **Annulment** Kevin E. McKenna,2015 Annulment simplifies and demystifies the Catholic Church s annulment process for anyone with an irregular marriage situation who seeks to join the Church **I'm Getting Married, Now What?!** Andrea Rotondo Hospidor,2001 A complete guide to planning your special day
